

David R. Cervin Ancient Coin Project Basic Request Form

For each category, give a brief description of your accomplishments completed in the past six months, such as the subject of your program or article, when and where your project was presented or published, etc. and have a parent, teacher or numismatic representative verify your achievement. To participate, you must be age 22 or younger and a Junior, Regular or Life member of the ANA. Please make copies of this form and mail a separate form with **EACH** coin request. Check-mark the step you are completing.

CATEGORIES	DETAILS	VERIFICATION
1) Numismatic Program: Speak to any group, such as at school, coin club or Scouts.		
2) Exhibit: Build an exhibit and display it at a coin show, bank or library.		
3) Literary: Publish a numismatic article approx. 400 words or more. (Please enclose a copy with your form.)		
4) Service: Organize or hold office in an ANA member organization.		
5) Coin Show: Volunteer to work at a coin show in your area.		
6) Youth Organization: Earn a badge, award or other special recognition for numismatics.		

___To receive your first coin (**Roman Empire, Victorinus, antoninianus, A.D. 268-270**), complete any three of categories 1 through 6.

___To receive a second coin (**Roman Empire, Septimius Severus, silver denarius, A.D. 193-211**), complete any two of the remaining three categories or complete/repeat any four of categories 1 through 6.

___Bonus: To receive a book on ancient Roman and/or Greek coins, complete any remaining categories.

___Repeat any three categories (1-6) to earn a third coin (**Mauryan Empire, square silver coin, 321-181 BC**).

David R. Cervin Ancient Coin Project Basic Request Form

When you have earned the first three coins, continue to category 7 for your fourth coin (**Roman Empire, Probus, antoninianus, A.D. 276-282**).

CATEGORY	DETAILS	VERIFICATION
7) Scholarship: Complete an ANA Correspondence or Summer Seminar Course.		

_____ This is the final category in the basic project. You must earn the first four coins before continuing to the advanced portion of the project. The six month time limit does not apply to correspondence courses.

David R. Cervin Ancient Coin Project Advanced Request Form

You must complete the basic portion of the project before beginning this advanced portion. For each category, give a brief description of your accomplishments completed in the past six months, and have a parent, teacher or numismatic representative verify your achievement. To participate, you must be age 22 or younger and a Junior, Regular or Life member of the ANA. Please make copies of this form and complete a separate form for **EACH** coin request. Check-mark the step you are completing.

CATEGORY	DETAILS	VERIFICATION
8) Recruit/Scholarship: Recruit five new ANA members. <p style="text-align: center;">or</p> Complete another ANA course.		

____ Send the names and ANA numbers of the new members or a copy of your diploma to receive your fifth coin (**Ionia, Smyrna, bronze, seated figure of poet Homer on reverse**).

____ **Repeat category #8** (Recruit/Scholarship) to receive coin six (**Apulia, Arpi, bronze, 3rd Century BC**). When you have received your sixth coin, you may continue to the category #9.

CATEGORY	DETAILS	VERIFICATION
9) Publish: Publish an article in an ANA member regional or national publication.		

____ Articles must be at least 500 words in length. Enclose a copy of the article, with the name and date of the publication, to receive your seventh coin (**Parthian Empire, Gotarzes II, silver tetradrachm, A.D. 40-51**). This step must be completed before advancing to the final category.

David R. Cervin Ancient Coin Project Advanced Request Form

Category #10 will complete the Ancient Coin Project and your transition from coin collector to numismatist!

CATEGORY	DETAILS	VERIFICATION
10) Exhibit: Exhibit the seven coins you earned at a local, regional or national coin show.		

_____ In your exhibit, include information about the ANA David R. Cervin Ancient Coin Project in your exhibit. You may display additional ancient coins if you wish. When requesting your eighth coin (**Pamphylia, Aspendus, silver stater, 400-300 B.C.**), send a picture of your exhibit and a copy of the judge's report or other verification from a show official.
