Please call the ANA Money Market at 719-482-9870 to order.

The program requirements are designed to give students a broad knowledge of numismatics. The courses can be completed in any order the club wishes.

STUDENTS SUCCESSFULLY COMPLETING THE PROGRAM WILL BE ABLE TO:

- ~ Identify/describe series of U.S. coins
- ~ Know the basics of grading U.S. coins
- ~ Determine if a coin should be cleaned or preserved
- ~ Detect a counterfeit or altered coin
- ~ Explain the modern minting process
- ~ Demonstrate a fundamental and broad knowledge of numismatic history
- ~ Know which references/sources are reliable and where to find them

Examination Process:

An extensive 200-question final exam, covering all program topics, will be administered after completion of all requirements. The exam can be administered by a proctor at your local coin club.

Students who view the optional videotapes, and review the correspondence course tests should perform well on the final examination.
