BEFORE THE WORKSHOP ...

1. Visit the American Numismatic Association (ANA) website at www.money.org (Requirement #5). Read the requirements for the *Fun with Money* patch by choosing "Scout Page" in the "Explore the World of Money" drop-down menu. Continue in the same drop-down menu to learn more about the ANA's Edward C. Rochette Money Museum, Dwight N. Manley Numismatic Library and programs for young collectors. Find out what you can see and do at the ANA's World's Fair of Money® in Los Angeles under "Numismatic Events."
2. Draw a design for a new \$1 coin on an 8½ x 11-inch sheet of paper and bring it to the workshop (Requirement #1). Keep your design simple and clear; do not make it cluttered. You must include the following inscriptions:
Obverse ("heads" side): Year, LIBERTY, and IN GOD WE TRUST
Reverse ("tails" side): UNITED STATES OF AMERICA and ONE DOLLAR

AT THE WORKSHOP ...

Everyone will learn a lot about coins and currency. If you have a collection, please leave it at home so it will not be lost. Scouts will complete the patch requirements during the workshop.

Parents and adult leaders are welcome and encouraged to attend.

MORE FUN ...

We encourage you to allow ample time before or after the workshop for Scouts to explore the collector exhibits, displays of the U.S. Mint and other government mints, the U.S. Bureau of Engraving and Printing, and other interesting areas of the coin show. The show is open 10 a.m. to 6:30 p.m. on Saturday.

LEADERS AND PARENTS ...

Remind Scouts to bring their coin design and encourage them to wear their uniforms. Provide a copy of this flyer to Scouts planning to attend the workshop. Check-in begins an hour before the workshop; please arrive at least 30 minutes early.
