## WORLD MINTS PASSPORT APPLICATION

(FOR OFFICIAL WORLD MINT PROMENADE MINTS ONLY)

The World's Fair of Money would like to invite you to participate in the World Mints Passport program at the World's Fair of Money in Chicago, Aug. I1-15, 2015. We will print a limited number (400 copies) of the colorful passports, which will be sold to collectors visiting the fair. This year, mint passports will be sold at a colorful, eye-catching kiosk at the entrance of the Mint Promenade. If you would like to take part in this successful and popular program, please fill out the form below.

Part of the Mint Passport's excitement for visitors is collecting a coin from each participating mint. If you have participated before, please select a different coin than last year to present to visitors. If possible, choose one minted in 2015. Please bring at least 400 of your chosen coin as well as a stamp and ink to mark the Passports to the fair.

The deadline to participate is May 23, 2015.
