

## ANA Members to Receive Discounts On Krause Subscriptions

American Numismatic Association members will receive significant discounts on subscriptions to five Krause Publications numismatic titles as well as online subscriptions to Numismaster.com, effective August 1, ANA Executive Director Larry Shepherd has announced.

Based on an agreement between the ANA and Krause Publications, ANA members can now subscribe to 52 issues of Numismatic News for \$25 a year, an 83 percent discount off the newsstand price of \$155.48. Members will also pay \$20 a year, a 66 percent discount off the newsstand price, for "Bank Note Reporter," "Coins," and "World Coin News," and \$15 per year, a 49 percent newsstand discount, on "Coin Prices." Rates apply to U.S. members only.

ANA members can also sign up for NumisMaster's annual or monthly price guides for 25 percent off the regular price.

"We're pleased to be able to offer these exclusive rates to ANA members," said Krause Numismatics Publisher Scott Tappa. "The ANA is the hobby's premiere organization and we feel it is important to offer the best in numismatic information at a discount to ANA members."

The subscription offer is valid for all U.S. ANA members – including those who already subscribe to any of the five Krause numismatic titles or NumisMaster. Current ANA members who are subscribers can add the new subscription at the special price to the end of their existing subscription.

"Education and reliable information is critical to anyone's success in this hobby," said ANA Executive Director Larry Shepherd. "We are thrilled that Krause has so generously offered these discounts to our members."
