BEFORE THE WORKSHOP

1. Visit the American Numismatic Association (ANA) website at www.money.org. Read the requirements for the **Fun with Money** patch by going to "Discover;" then select "Young Numismatists" and then "Scouts." Continue in the same drop-down menu to learn more about the ANA's Edward C. Rochette Money Museum, Dwight N. Manley Numismatic Library and programs for young collectors. Find out what you can see and do at the ANA's World's Fair of Money® in Philadelphia at www.WorldsFairOfMoney.com.
2. Draw a design for a new \$1 coin on an 8½ x 11-inch sheet of paper and bring it to the workshop (Requirement #1). Keep your design simple and clear; do not make it cluttered. You must include the following inscriptions:
Obverse ("heads" side): Year, LIBERTY, and IN GOD WE TRUST
Reverse ("tails" side): UNITED STATES OF AMERICA and ONE DOLLAR

AT THE WORKSHOP

Everyone will learn a lot about coins and currency. If you have a collection, please leave it at home. Girl Scouts will complete the patch requirements during the workshop. Parents

and adult leaders are welcome and encouraged to attend.

Scouts who complete the requirements at the clinic will receive a voucher for a free one-year membership in the ANA (for new members only) and a *Fun with Money* patch.

MORE FUN

We encourage you to allow ample time before and after the workshop for Girl Scouts to explore the Kids Zone; displays of the U.S. Mint, Bureau of Engraving and Printing, and world mints; the ANA Museum Showcase; collector exhibits and other interesting areas of the coin show. Check-in begins at 8:30 a.m. The show is open 10 a.m. to 4 p.m. on Saturday.
