INDEPENDENT AUDITOR'S REPORT

To the Board of Governors American Numismatic Association Colorado Springs, Colorado

We have audited the accompanying financial statements of American Numismatic Association (a nonprofit corporation), which comprise the statements of financial position as of October 31, 2020 and 2019, and the related statements of activities and changes in net assets, functional expenses, and cash flows statement for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of American Numismatic Association as of October 31, 2020 and 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As described in Note A to the financial statements, during the year ended October 31, 2020, the American Numismatic Association adopted Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606), and Accounting Standards Update (ASU) 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. Our opinion is not modified with respect to this matter.

Emphasis of Other Matter

As described in Note M, In March 2020, the World Health Organization declared a pandemic related to a fast-spreading novel strain of coronavirus. The outbreak caused significant global disruption in commercial and noncommercial activities. The disruption may continue to have a significant impact on future financial performance; however, the ultimate impact of this global concern cannot be determined. Our opinion is not modified with respect to that matter.

McMillen & Company, PLLC Colorado Springs, Colorado April 26, 2021

AMERICAN NUMISMATIC ASSOCIATION Notes to Financial Statements For the Years Ended October 31, 2020 and 2019

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

American Numismatic Association (the Association) was organized in 1891 and was chartered by an act of Congress to advance the knowledge of numismatics, encourage communication and cooperation among numismatists, acquire and disseminate information bearing upon numismatists, and promote popular interest in the science of numismatology. The Association is considered to be the largest numismatic Association of its kind.

Method of Accounting

The financial statements of the Association have been prepared on the accrual basis of accounting.

New Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued ASU 2014-09, Revenue from Contracts with Customers (Topic 606). This standard implements a single, comprehensive framework for recognition of all revenue earned from customers. The topic's framework ensures that entities appropriately reflect the consideration to which they expect to be entitled exchange for goods and services by allocating transaction price to identified performance obligations and recognizing revenue as performance obligations are satisfied. Qualitative and quantitative disclosures are required to enable users of financial statements to understand the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. For certain entities, including the Association, the standard is effective for fiscal years beginning after December 15, 2018, notwithstanding extensions available under COVID-19 relief (Note M). During the year ended October 31, 2020, the Association adopted ASU 2014-09 using the full retrospective adoption method. In accordance guidance, the Association elected transition retroactively adjust only those contracts that did not meet the definition of a completed contract at the date of initial application. This guidance did not significantly impact the timing of the Association's revenue recognition.

In June 2018, the FASB issued standard ASU 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. This standard provides a more robust framework for determining whether an entity should account for a transaction as a contribution or as an exchange transaction. The guidance also helps determine whether a contribution is conditional and better distinguishes a donor-imposed condition from a donor-imposed restriction. During the year ended October 31, 2020, the Association adopted this standard for contracts not yet completed as of October 31, 2020, or entered into subsequent to October 31, 2020, the beginning of the fiscal year. The adoption did not result in a material change to how the Association accounts for revenue from contributions, grants, and contracts.

In August 2018, the FASB issued ASU 2018-13, Fair Value Measurement: Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement (Topic 820). This ASU is effective for fiscal years beginning after December 15, 2019, with early adoption permissible. This ASU removes and modifies certain disclosures, adding disclosures related to fair value measurement. The Association had adopted this standard as of October 31, 2020.

Accounting Pronouncements Not Yet Adopted

In March 2019, the FASB issued ASU 2019-03, Updating the Definitions of Collections, Not-for-Profit Entities (Topic 958). This ASU is effective for fiscal years beginning after December 15, 2019, with early adoption permissible. This standard modifies the term "Collections", which in turn may change collection recognition policies, and adds certain disclosure requirements. The Association is evaluating the impact that this will have on its financial statements.

Basis of Presentation

The financial statement presentation follows the recommendations of accounting principles generally accepted in the United States of America ("US GAAP"). The Association is required to report information regarding its financial position and activities according to two classes of net assets:

 Net assets without donor restrictions: net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Association.

Net assets with donor restrictions: net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature, such as those that will be met by the passage of time or other purposes specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor restrictions may be perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Cash and Cash Equivalents

Cash and cash equivalents consist of the Association's checking, money market accounts, and other highly liquid investments not restricted or designated for other use. The Association maintains its cash and cash equivalents at a commercial bank, credit union, and at a brokerage firm. In the event of an institution's failure, the Association might only be able to recover the amounts insured.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent liabilities, and the reported amounts of revenues and expenses. Actual results could differ from those estimates. The significant accounting estimates used in the preparation of the Association's financial statements relate to the estimated useful lives of property and equipment, valuation of the numismatic collection, deferred membership fees, functional allocation of expenses to program and support services, and valuation of the contribution receivable from the remainder trust.

Income Tax

Under Section 501(c)(3) of the Internal Revenue Code, the Association is exempt from federal income tax on all income except unrelated business income as noted under Section 511 of the Internal Revenue Code. Internal Revenue Code Section 513(a) defines an unrelated trade or business of an exempt Association as any trade or business which is not substantially related to the exercise or performance of its exempt purpose. The advertising income derived from the publication of The Numismatist and the convention program guides is considered unrelated business income. Since related expenses exceeded the income, no provision for income taxes has been accrued.

Management of the Association believes that it does not have any uncertain tax positions that are material to the financial statements.

Contributions Receivable

Contributions receivable are recognized when the donor makes a promise to give to the Association that is, in substance, unconditional. Donor restricted contributions are reported as increases in net assets with donor restrictions, temporary or permanent in nature, depending on the nature of the restrictions. When temporary restrictions expire or are otherwise satisfied, net assets with donor restrictions, temporary in nature, are reclassified to net assets without donor restrictions.

As of October 31, 2020 and 2019, Management considers all contributions receivable, if any, to be fully collectible; accordingly, no allowance for doubtful contributions receivable has been recorded.

Accounts Receivable

Accounts receivable are stated at the amount the Association expects to collect from balances outstanding at year end. Based on management's assessment of the outstanding balances, it has concluded that an allowance for doubtful accounts of \$5,732 is necessary for each of the years ended October 31, 2020 and 2019.

Revenue Recognition

The Association has analyzed the provisions of the FASB's ASC

Topic 606, Revenue from Contracts with Customers, and have concluded that no changes are necessary to conform with the new standard. The Association's revenue recognition policies are as follows:

• Membership dues and fees - Membership dues and fees revenue is recognized in an amount that reflects the consideration that the Association is entitled to in providing membership exchange for Registrations are recognized as revenue in the period in performance Association satisfies its the which obligation to its members. A performance obligation is a promise in a contract to transfer a distinct good or service to a customer, as defined by ASC 606. Association's performance obligation for membership registration revenue is to provide access to special membership services, and other benefits accessible only to members.

Revenue recognition for life membership fees is deferred upon receipt and recognized over 30 years. Such recognized revenue is included within membership dues and fees in the statement of activities.

- Advertising revenue Advertising revenue is recognized in an amount that reflects the consideration that the Association is entitled to in exchange for substantially fulfilling performance obligations specific to each contract. Advertising is recognized as revenue in the period in which the Association satisfies its performance obligation to its clients. The Association's performance obligations for advertising revenue are to provide promotion and advertising opportunities on its magazine as arranged under each contract. The Association has determined that performance obligations of existing multi-year contracts do not materially differ from year-to-year; but it continues to evaluate each new contract for proper recognition under ASC 606.
- Other income Service fees and Bourse revenue are recognized as the Association delivers specific performance obligations, such as holding major events. Revenue is recognized at a single point in time when the events occur and when ownership, risks, and rewards transfer to the participant.

Depreciation and Amortization

Property and equipment are recorded at cost as of the date of acquisition or fair value as of the date of receipt in the case of gifts. Capital expenditures exceeding \$1,000 are capitalized and depreciated over the appropriate term according to the Association's policies. Depreciation is recorded using the straight-line method over estimated useful lives of five to 40 years for buildings and land improvements, three to 10 years for furniture and equipment, and three to 20 years for museum galleries and cases.

Investments

The Association accounts for their investments in accordance with FASB ASC 958, "Not-for-Profit Entities". Investments in marketable equity securities with readily determinable fair values are stated at fair value based on quoted prices in active markets (Level 1 measurements). Closely held stock without readily determinable fair values are stated at book value determined by information provided by the closely held corporation (Level 3 measurements). Unrealized gains and losses are reported as revenue in the accompanying statement of activities and changes in net assets. Realized gains and determined losses on investments sold, on a identification basis, are also included in revenue.

Date of Management's Review

In preparing the financial statements, the Association has evaluated events and transactions for potential recognition or disclosure through April 26, 2021, the date that the financial statements were available to be issued.

Supplemental Cash Flow Disclosure

The Association paid no interest or income taxes during the years ended October 31, 2020 and 2019.

Inventory

The Association records inventories at the lower of first-in first-out (FIFO) cost and net realizable value. Net realizable value is generally based on the selling price.

Numismatic Collections

The Association maintains a numismatic collection of over 275,000 items, many of which have significant value to collectors. Many of these items are on display in the museum for the public to view. Security measures are taken to safeguard this collection. The collection was initially recorded in the statement of financial position at the estimated fair value of the items in accordance with US GAAP.

The Association periodically evaluates the collection for impairments. If appropriate, the Association recognizes an impairment loss on collection items when the estimated fair value of the items is less than the carrying amount.

The collection consists primarily of coins, medals, paper currency and other objects and documents. They are catalogued, preserved, and cared for, and activities verifying their existence and assessing their conditions are performed. The Association's collection, acquired through purchases and contributions, is recognized as an asset in the statement of financial position. Purchases of collection items are recorded in the year in which the items are acquired as decreases in net assets without donor restrictions or net assets with donor restrictions, depending on the existence of any previous restrictions placed by donors on assets used to purchase the items.

Contributed collection items are reflected in the financial statements at the estimated fair value of the items at the date of contribution. It is the policy of the Association that proceeds from deaccessions, which are reflected as an increase in the appropriate net asset class, are used to acquire other items for the collection. The Association defines the direct care of collections as any activity that involves the protection and preservation of the collection. This includes the salary and benefits of the museum curator, consultant fees, and direct costs like the digitalization costs of the Numismatic library.

During the years ended October 31, 2020 and 2019, the Association received \$57,478 and \$1,026,740, respectively, of newly donated items into the collection.

Library Collection

Library collection items are not carried as assets in the statement of financial position. Purchased library collection items are included as an expense in the statement of activities and donated library collection items are not recorded as revenue or expense in the statement of activities.

Allocation of Expenses

The cost of providing the various program and supporting activities has been presented on a functional basis in the statement of activities and changes in net assets. Expenses are generally charged to a functional department as incurred for the related activities based upon ratios determined by management.

Advertising Expenses

Advertising costs are expensed as incurred. Advertising expense was \$92,436 and \$149,181, respectively, for the years ended October 31, 2020 and 2019.

B. LIQUIDITY AND AVAILABILITY OF RESOURCES

The Association regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Association has cash and cash equivalents and certain investments as a primary source of liquidity at its disposal.

In addition to currently held financial assets available to meet general expenditures over the next 12 months, the Association operates under an approved budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources or by planned liquidation of investments.

As of October 31, 2020, the following financial assets could readily be made available within one year of the balance sheet date to meet general expenditures:

	<u>2020</u>	<u> 2019</u>
Liquid financial assets at year	-end:	
Cash and cash equivalents Investments Accounts Receivable	\$ 2,360,504 23,142,907 47,670	\$ 294,323 25,660,854 26,679
Total liquid financial assets	\$ 25,551,081	\$ 25,981,856
Less amounts not available for general expenditures within one year:		
Board-designations	(\$ 344,738)	(\$ 327,045)
Restricted net assets - program activities	(1,313,600)	(1,294,213)
Financial assets available for general expenditure over the next 12 months	<u>\$ 23,892,743</u>	<u>\$ 24,360,598</u>

As of October 31, 2020 and 2019, the Association also has contributions receivable from remainder trusts (Note F) of \$26,534,887 and \$24,355,322, respectively; but, those shares are not received until after the deaths of certain beneficiaries of the trust.

C. FAIR VALUE MEASUREMENTS

Association applies Generally Accepted Accounting The Principles (GAAP) for fair value measurements of financial assets that are recognized or disclosed at fair value in the financial statements on a recurring basis. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy are as follows:

 Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Association has the ability to access at the measurement date.

- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3 inputs are unobservable inputs for the asset or liability.

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The following tables present assets that are measured at fair value on a recurring basis at October 31, 2020 and 2019:

Assets at Fair Value as of October 31, 2020

]	<u>Level 1</u>		Level 2	<u>Level 3</u>		<u>Total</u>
Cash Equities Other Mutual funds -	\$	5,306 8,749 47,386	\$		\$	\$	5,306 8,749 47,386
equity and fixed income Closely-held		306,322					306,322
corporate stock			_		22,775,144	2	22,775,144
	\$	367,763	\$		\$22,775,144	\$2	23,142,907

Assets at Fair Value as of October 31, 2019

	Level 1		Level 2	<u>Level 3</u>		<u>Total</u>
Cash Equities Mutual funds -	\$ 5,306 8,749	\$		\$	\$	5,306 8,749
equity and fixed income	495,230					495,230
Closely-held corporate stock	 			25,151,569	_2	<u>5,151,569</u>
	\$ 509,285	<u>\$</u>		<u>\$25,151,569</u>	\$2	25,660,854

Below is a reconciliation of the beginning and ending balance of assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) during the years ended October 31:

	2020	<u>2019</u>
Beginning balance Sale of securities Dividends Realized gain Change in value of closely	\$25,151,569 (3,951,197) 57,381 123,016	\$22,811,800
held stock	1,394,375	2,339,769
Ending balance	\$22,775,144	<u>\$25,151,569</u>

The change in value of the closely held corporate stock of \$1,394,375 and \$2,339,769, respectively, for the years ended October 31, 2020 and 2019, is attributable to the unrealized gain on the increase of the book value per share as of October 31, 2020 and 2019. The value of the closely held stock is determined by inputs provided by the closely held corporation, based on its audited financial statements, subject to a first-right of refusal agreement to sell shares back to the closely held corporation at 85% of book value. The Association sold 100 shares of Class A stocks in January and October respectively, at sales proceeds of \$18,854 per share and \$20,084 per share, respectively.

D. INVESTMENT INCOME

Investment income consists of the following for the years ended October 31, 2020 and 2019:

		<u> 2020</u>		<u> 2019</u>
Interest and dividends Net realized and unrealized	\$	107,319	\$	131,989
gains on investments	:	1,518,817	:	2,420,766
Change in value of split interest agreement Less investment fees	:	2,179,565 (1,185)		2,703,066 (2,981)
	<u>\$</u>	3,804,516	\$	<u>5,252,840</u>

E. DEFERRED REVENUE

Deferred revenue consists of the following at October 31, 2020 and 2019:

	<u>2020</u>	<u> 2019</u>
Membership dues and fees Bourse	\$ 1,681,600 329,653	\$ 1,733,478 249,263

 Sponsor payments
 49,500
 24,500

 Other
 8,763
 4,338

 \$ 2,069,516
 \$ 2,011,579

F. CONTRIBUTION RECEIVABLE FROM REMAINDER TRUST

Contribution receivable from remainder trust is based on the estimated net present value of the estimated fair value of closely-held corporate shares to be received by the Association in the future, after the deaths of certain beneficiaries of the trust, and the estimated present value of future dividend income on the shares currently held in trust, as discussed in Note C. The remainder trust distributes dividend income on shares held in trust, when received, to the Association. The net present value is based on the expected life of the income beneficiaries, using a discount rate of 3.25% per annum. The amount ultimately received from the remainder trust could differ materially from the contribution receivable from the remainder trust recorded as of October 31, 2020 and 2019.

G. POSTRETIREMENT BENEFITS

The Association previously had a plan which provided, upon qualification and enactment of a retiree's Medicare benefits, that the Association would pay the same proportion of the retiree's Medicare managed care premium as it does with current Association employees for as long as the retiree is enrolled in the Medicare program.

The present value of the accumulated benefits under the postretirement benefits policy was \$28,214 and \$30,744, respectively, as of October 31, 2020 and 2019. The assumed discount rate used in the present value calculation is 8% per annum. For measurement purposes, a 10% annual rate of increase per capita cost of covered health care benefits in future years was assumed for the years ended October 31, 2020 and 2019.

H. RETIREMENT PLAN

In October 2013, the Association created the American Numismatic Association 401(k) Plan (the "Plan") to be effective January 1, 2014. The Association will make a safe-harbor contribution in an amount not less than 3% of an eligible employee's compensation.

Also, the Plan allows employees to make elective salary

reduction contributions up to 100% of their compensation (subject to IRS limits); and, the Association may, at its sole discretion, make matching contributions up to a maximum of the "Matched Employee Contribution" as described in the Plan. The Association may also make discretionary contributions to the Plan. Employees must have attained the age of 18 and be employed on the last day of the Plan year.

In addition to the 3% safe harbor contribution, for the years ended October 31, 2020 and 2019, the Association made matching contributions up to 3% of employee compensation and a discretionary 1% contribution of employee compensation. The Association's contributions to the Plan totaled \$118,065 and \$117,832 for the years ended October 31, 2020 and 2019, respectively.

I. BOARD DESIGNATED NET ASSETS

Board designated net assets are available for the following areas:

		<u> 2020</u>	<u> 2019</u>
NGC Settlement Fund	\$	213,759	\$ 221,768
Publications	-	88,025	88,751
Museum	·····	42,954	 42,954
	<u>\$</u>	344,738	\$ 353,473

J. NET ASSETS WITH DONOR RESTRICTIONS: TEMPORARY IN NATURE

Net assets with donor restrictions, temporarily in nature, are available for the following areas:

	<u>2020</u>	<u> 2019</u>
Numismatic collection Contribution receivable from	\$38,950,191	\$38,892,713
remainder trust	26,534,887	24,355,322
Program activities: Exhibit awards	325,839	327,832
Young Numismatists	274,041	272,756
College scholarships	178,881	175,772
Education fund	165,828	165,008
Lecture series	98,690	99,690
Bob Lecce fund	68,888	68,888
Reagan staff education	52,779	51,707
Engraving program	44,578	44,578
Museum	34,726	33,277

Harry Bass fund School of Numismatics scholarships Defense fund David Ganz fund Education outreach Club rep reserve Van	23,001 18,552 12,619 10,912 1,829 1,331 1,030	23,001 16,526 12,619 10,912 1,829 1,331 1,030
Rent	<u>76</u>	<u>76</u>
	\$66,798,678	<u>\$64,554,867</u>

Net assets are released from donor restrictions by incurring expenses that satisfy the restricted purpose. During the years ended October 31, 2020 and 2019, temporarily restricted net assets were released from restrictions for the following programs:

	<u> 2020</u>	<u> 2019</u>
Young Numismatists Exhibit awards Lecture series	\$ 2,297 1,993 1,000	\$ 140,820 13,303
Bob Lecce fund Florance Schook School of Numismatic Engraving program School of Numismatics scholarships Education outreach Rent	 	 28,799 28,393 8,769 5,915 1,185
	\$ 5,290	\$ 227,186

K. COMMITMENTS AND CONTINGENCIES

The Association has entered into various contracts with hotels for future conventions to reserve blocks of rooms for attendees of the conventions. Although there is no liability to the Association for the rooms (individual attendees are responsible for payment on the rooms), some of the contracts contain clauses requiring the Association to pay a fee or penalty amount if the convention is cancelled or if the number of rooms used is not reasonably close to the level reserved. In the opinion of management, no fees or penalties are expected to be paid under these contracts and, therefore, no liability has been recorded.

The Association has entered into contracts for rental space at various convention centers for future conventions.

> The Association is not able to make a meaningful estimate of the amounts or range of future minimum payments, if any, related to these commitments. Consequently, the Association has not provided for any future commitments under these contracts.

L. RELATED PARTY TRANSACTION

The Association contracted for Auctioneer services for the 2019 and 2020 ANA National Money Show from a company that is majority-owned by a former member of the Association's Board of Governors. Auctioneer services were obtained through a competitive award process, and, in the opinion of management, the services obtained were the most favorable to the Association.

During the fiscal years ended October 31, 2020 and 2019, the Association received \$65,000 and \$60,000, respectively, from the related auctioneer.

M. COVID PANDEMIC

In March 2020, the World Health Organization declared a pandemic related to the fast-spreading COVID-19 virus. As a result of the global attention and concern arising from this disease, many event organizers have taken measures that are considered appropriate responses to limit the spread of the disease such as cancelling and postponing major events, including the 2020 World's Fair of Money and 2021 National Money Show. Management continues to evaluate options for appropriate responses to this global concern within the context of its operations and events.
