## **Win a Gold Digital Membership to the ANA through the CAC Fancaster Challenge**

For over 100 years the American Numismatic Association has helped collectors expand their collections through its annual conventions. Past and current show attendees are invited to share details of their favorite finds at an ANA show by participating in the Certified Acceptance Corporation Fancaster® Challenge. Coin enthusiasts could win a digital membership to the ANA and other great prizes.

To participate, create and submit a video describing the best numismatic item you have ever found at an ANA show. It's easy to do — just use your smartphone, tablet, computer camera or video camera.

To enter, upload your video to <https://www.wetransfer.com/>. When uploading, put Promotions@Fancaster.com in the "Friend's Email" field. Videos should be no longer than 60 seconds.

"It is the mission of the ANA to educate and help collectors grow their collections," said ANA Executive Director Kim Kiick. "With over 1,000 dealers in attendance, our shows offer the perfect venue for collectors to find hidden treasures."

Submissions will be accepted beginning on the first day of the World's Fair of Money, Aug. 11, 2015 at 12:00 p.m. EDT and end at 11:59 a.m. EDT on Sept. 10, 2015.

Voting for the best video submission will begin Sept. 17 at 12:00 p.m. EDT and run through Oct. 15. The 3 top videos that earn the most votes will each receive a 1-year Gold membership to the ANA. Fourth through sixth place will receive a numismatic reference book.

For more information or questions, please email: [promotions@fancaster.com](mailto:promotions@fancaster.com)

CAC is excited to sponsor the CAC Fancaster Challenge. The CAC Fancaster challenge displays the excitement, passion and history of the hobby through a modern lens.

The American Numismatic Association is a congressionally chartered nonprofit educational organization dedicated to encouraging people to study and collect money and related items. The ANA helps its 25,500 members and the public discover and explore the world of money through its vast array of education and outreach programs, as well as its museum,

library, publications, conventions and seminars. For more information, call 719-632-2646 or go to [www.money.org](http://www.money.org).
