2016 marked the 125th anniversary of the ANA. It's been a whirlwind year focused on fostering interest in our hobby, adding more collectors to our ranks, and providing the learning opportunities that our members need and want.

The journey never ends. We need you on board.

With a gift to the ANA of \$250, you'll receive a limited-edition bronze 125th anniversary medal designed by renowned medallist sculptor Jamie Franki. For a donation of \$1,000, you'll receive a .999-fine-silver version of this beautifully crafted medal. Don't delay. Only 200 medals are available in bronze; the silver is limited to 25.

Together we can set the stage for the next 125 years.
