

Submissions Accepted for ANA's Club Publications Contest

The American Numismatic Association (ANA) is currently accepting submissions for the 2018 Outstanding Club Publications competition. The contest is open to member clubs that are current with their ANA dues and do not have an elected or salaried ANA officer as editor or assistant editor. Club publications must have been issued on a regular basis. Completed submissions must be received by May 15.

Submissions must include a complete set of 2017 publications, or three different printed samples of online publications. Also required are the category of submission (local, regional, specialty, electronic), the editor's name and the name, address, phone number and e-mail address of the submitter.

All club contestants will be entered in a drawing to receive a full 2018 Summer Seminar adult scholarship, which covers tuition, lodging, meals and airfare. The winning club can award the scholarship as it wishes.

Judging criteria

Entries are judged on general appearance, composition, aptness of illustrations, newness and relative interest. Whether a newsletter is handwritten, typed or computer-generated is not a factor in judging, nor is the size of the club or the amount of funds expended.
