### **3. Discussion of Proposed Bylaws Change** – President Gary Adkins and Governor Greg Lyon

Note: The motion below cannot be voted upon until after the proposal has gone through the formal amendment process outlined in Article XIV: Bylaws.

MOTION by Lyon, second by \_\_\_\_\_ to repeal Article VI, Section 2, Paragraph g and replace as follows:

#### g) Term Limits

- i) No person shall be eligible for elected office, in any capacity, who has previously served as a member of the Board of Governors (including service as President and/or Vice President) for a combined total of 18 years.
- ii) Total service on the Board shall, in no circumstance, exceed 20 years.
- iii) For terms beginning and ending at the annual World's Fair of Money (the ANA Anniversary Convention), a "year" shall be defined as the time between two World's Fairs of Money.
- iv) For terms beginning or ending on other dates, a year shall be defined as a consecutive 365 day period.

Modify Article VII, Section 1 as follows:

#### Section 1. Term of Office

Beginning in 2019, the President, Vice President and seven Governors shall be elected triennially, to serve a term of three years.

#### Reasoning:

In the last 2 of the last 4 ANA elections, there have been 8 or fewer candidates seeking election to the ANA Board. Due to a lack of competition, this may not provide members the opportunity to vote for a full Board they support. Meanwhile, some former Governors choose not to seek re-election due to work or family constraints as they cannot spend the time, money and

effort to serve as ANA President or Vice-President at that point in their lives. By extending term limits, this will allow qualified Board members to serve for a longer period, subject to the wishes of membership.

The current Board term of 2 years goes by quite rapidly. After spending 6-12 months coming up to speed on duties and responsibilities, an election cycle starts again. By extending terms to 3 years, this will allow a single board a longer to serve as a cohesive unit and work toward achieving common goals.

Specific reasoning on each section being changed:

- 1) (Article VII, Section 1) Terms of Office are extended from 2 to 3 years to allow a Board to serve as a cohesive unit for a longer period of time.
- 2) (Article VI, Section 2, Paragraph g, Sub-Paragraph i) Term limits are increased from 10 to 18 years to allow board members to serve a longer period on the board. Due to the timing of 2 & 3 year terms, the best options seem to be to move to a 12, 18 or 24 term limit.
- 3) (Article VI, Section 2, Paragraph g, Sub-Paragraph ii) This covers board members who may have served one or more 2 year terms to indicate that you can run for election / re-election until you have served 18 years.
- 4) (Article VI, Section 2, Paragraph g, Sub-Paragraph iii) This defines a "year" vs. a "term" which was previously used. Due to the timing of the World's Fair of Money, a term may be shorter or longer than 2 or 3 years. Without this definition if someone served a term of 3 years and 1 day due to the timing of the conventions, this could affect their future eligibility.
- 5) (Article VI, Section 2, Paragraph g, Sub-Paragraph iv) This covers terms which start or end outside of a World's Fair of money by defining a year as 365 days.
- 6) There is no mention of officers who have previously served 10 years. I feel it would be unfair to explicitly exclude those members from running again and leaves it to the membership to decide if they should be elected again.

#### **4. Upcoming Board Meeting Schedule – President Gary Adkins**
