## **127 Years of *The Numismatist* Now Available Digitally**

The American Numismatic Association is excited to announce its digital archives of all 127 volumes of its flagship publication, *The Numismatist*. Beginning December 1, ANA members can access every issue of the magazine, from 1888 to the present.

The [ANA's digital archives of \*The Numismatist\*](#) is a one-stop hobby reference, helping collectors expand their numismatic knowledge base. Free access to this historical database is included as a benefit of ANA membership.

The online editions look exactly like the printed originals, allowing users to experience *The Numismatist* in its historical context. Each archived page can be downloaded and printed, as well as bookmarked, cited and referenced by other registered users. Helpful search features guide readers to the information they seek, including relevant links to useful resources, an easily accessible table of contents, and indices with live links.

For coin collectors studying a recent purchase, a numismatic auction house researching an upcoming catalog, or a student writing a paper on world currencies and economies, *The Numismatist* is a trusted repository of classic articles and hidden gems on all things money.

The American Numismatic Association is a congressionally chartered, nonprofit educational organization dedicated to encouraging people to study and collect coins and related items. The ANA helps its 24,000-plus members and the public discover and explore the world of money through its vast array of educational and outreach programs, as well as its museum, library, publications, conventions and seminars.
