Beautiful Silver Medallion Offered to Collectors Joining the American Numismatic Association

Medallion Also Available to Current ANA Members Sponsoring a New Member

A free silver medallion is being offered to collectors joining the American Numismatic Association (ANA) as a new member. The limited-edition medallion is also available to current ANA members who sponsor a new member. (Both the new member and the sponsoring member each will receive a medallion.)

The obverse of the medallion features the 1891 Seated Liberty Quarter design, which represents the year that the ANA was founded. The reverse depicts the ANA lamp of knowledge. Each quarter-ounce medallion is pure .999 silver and is encapsulated and specially labeled by Numismatic Guaranty Corporation (NGC). Produced by SilverTowne Mint for the ANA, only 2,000 of the medallions are available. Medallions are limited to one per person.

The promotion was made possible by John and Marilyn McMullan, NGC and Jeff Garrett.

To join the ANA and receive a free silver medallion, collectors should call 1-800-514-2646 and reference code M17B, or visit <http://bit.ly/ana-medallion>.

Membership in the ANA includes a subscription to *The Numismatist*, the hobby's premier monthly magazine; free admission to the World's Fair of Money® and National Money Show®; access to exclusive ANA educational programs; direct submissions for NGC grading; and discounts on supplies, collection insurance, publications and more – all for as little as \$28 for adults and \$14 for young people under age 18.

The American Numismatic Association is a congressionally chartered nonprofit educational organization dedicated to encouraging people to study and collect money and related items. The ANA helps its 25,000 members and the public discover and explore the world of money through its vast array of educational and outreach programs, as well as its museum, library, publications, conventions and seminars.
