## **Money Talks Speakers Wanted for Denver World's Fair of Money®**

American Numismatic Association (ANA) members are encouraged to share their ideas and research with fellow hobbyists by delivering a Money Talks presentation at the 2017 World's Fair of Money in Denver, Colo., Aug. 1-5 at the Colorado Convention Center. Those interested in presenting can submit an online proposal here. Proposals are due May 15.

The informative 30- to 45-minute presentations are presented by some of the hobby's most noted authorities, and allow collectors to share their expertise with the numismatic community. Presentations from previous shows include: Trends that are Shaping the Coin Collecting Hobby Today; Double Dimes and the Amazing Discovery at the Carson City Mint; Announcing a New Grading System; and more.

Money Talks presentations should be accompanied by digital images or slides. Speakers should arrive 15 minutes prior to their presentation to set-up. A staff videographer will be on hand to record the presentations.

Contact Sam Gelberd, the ANA's numismatic educator, at (719) 482-9846 for additional information.
