Submissions Accepted for ANA's Club Publications Competition

The American Numismatic Association (ANA) is currently accepting submissions for the 2019 Outstanding Club Publications competition. The contest is open to member clubs that issued newsletters or journals four times or more during the previous calendar year, are current with their ANA dues, and do not have an elected or salaried ANA officer as editor or assistant editor. Completed submissions must be received by April 15.

Submissions must include a complete set of 2018 publications, or three different printed samples of online publications. Also required are the category of submission (local, regional, specialty, electronic), the editor's name, and the name, address, phone number and e-mail address of the submitter.

All club contestants will be entered in a drawing to receive a one-week [Summer Seminar](#) adult scholarship (age 18 or older), which covers tuition, lodging, meals and airfare. The winning club can award the scholarship as it wishes.

Judging criteria

Entries are judged on general appearance, composition, aptness of illustrations, newness and relative interest. Whether a newsletter is handwritten, typed or computer-generated is not a factor in judging, nor is the size of the club or the amount of funds expended.

Visit www.money.org/outstanding-club-publications for complete rules, judging criteria and submission guidelines.

Completed electronic entries can be emailed to magazine@money.org. All others should be sent to:

**Outstanding Club Publications Competition
ANA Publications Department
