Money Talks Speakers Wanted for Chicago World’s Fair of Money

American Numismatic Association (ANA) members are encouraged to share their ideas and research with fellow hobbyists by delivering a Money Talks presentation at the 2019 World’s Fair of Money® in Chicago, Aug. 13-17 at the Donald E. Stephens Convention Center.

Those interested in giving a Money Talks presentation should submit an online proposal at www.money.org/numismatic-events/money-talks. Proposals are due no later than May 15. The informative 30- to 45-minute presentations are presented by some of the hobby's most noted authorities and allow collectors to share their expertise with the numismatic community. Presentations from previous shows include “Siege Notes: The Currency of War,” “Strategies to Dispose of Your Collection” and “Curious Currency of the World.”

Money Talks presentations should be accompanied with digital images. Speakers should arrive 15 minutes prior to their presentation to set-up. Contact Sam Gelberd, the ANA's numismatic educator, at (719) 482-9846 for additional information.

Proposals can be submitted online, emailed to sgelberd@money.org, or mailed to:
