## **ANA Announces Date for Live Young Numismatist Auction**

Wednesday, August 24, 2016—The American Numismatic Association's second annual live Young Numismatist (YN) Auction will take place on Saturday, Sept. 24, at 10:00 a.m. (MST).

The standout lots in the live auction are guaranteed to delight and surprise. Lots include a rare 1807 Draped Bust quarter; a silver 1327-1377 English four pence groat; and holding to tradition, a 1984 Canada 10 dollar quarter-ounce Maple Leaf coin—made of .9999 fine gold. All 100 lots can be viewed in the [YN Auction Catalog](#), also available as a PDF.

"This is the second year the annual YN Auction will broadcast live from ANA headquarters," said ANA Numismatic Educator Sam Gelberd. "Once again, we've assembled a catalog of wonderful numismatic items. There's a little something for everybody, including multiple grab bag lots and a rarely seen National Coin Week poster from 1990."

The auction will be conducted over a live video stream on the ANA's YouTube channel. Participants will place bids in the chat section using YN Dollars. To participate in the online auction, YN's must have a Google account; create an account [here](#).

To register for the auction, participants must [email](#) their name, address, and phone number from their Gmail account; those registering will receive a confirmation email. Visit [www.money.org](http://www.money.org) on Sept. 24 to be directed to the auction.

To ensure that auction dollars are received prior to the event, YN's are encouraged to submit all YN Dollar requests no later than Monday, Sept. 12.

"With the vast majority of coin auctions moving to an online format, we also felt it was important from an educational standpoint to give the YNs a chance to bid online so they can learn how to be more savvy when bidding," said ANA Education Director Rod Gillis.

The regular monthly YN auction will resume Oct. 1.

For more information, contact ANA Numismatic Educator Sam Gelberd at (719) 482-9846, or email [sgelberd@money.org](mailto:sgelberd@money.org).

The American Numismatic Association is a congressionally chartered, nonprofit educational organization dedicated to encouraging the study and collection of coins and related items. The ANA helps its 25,000 members and the public discover and explore the world of money through its vast array of educational and outreach programs, as well as its museum, library, publications, and conventions.
