## *Mayflower Day*

**Mayflower Day** commemorates the date on which the Mayflower set sail from Plymouth, England to America. On September 16, 1620, 102 men, women and children left England for Virginia. The Mayflower itself was most likely sold as scrap in 1624.

This month's activity involves identifying money that contains a ship as part of the design.

1. This coin was minted for a tercentenary celebration in 1920 and 1921.  
Coin: \_\_\_\_\_
