**National Coordinator Messages**

*by Tiffanie Bueschel, ANA Club Communications Coordinator, (719) 482-9816 or [bueschel@money.org](mailto:bueschel@money.org).*

Greetings to Clubs and Representatives.

I recently attended the FUN show and was fortunate to meet many of you from the clubs. One of our wonderful District Representatives, Bart Bartanowicz, gave us a great suggestion that I plan to kick off soon. The ANA produced a video many years ago "Money: History you can hold in your hands." Some of you may remember this video and have used it for many educational purposes. It's a great video to use at club meetings, or to introduce new people to numismatics. We will be sending each ANA District Representative a copy of the DVD that we hope will assist you and the clubs with many of your activities and programs. I hope to get that mailed out to each of you next month – so keep your eyes open. Also, if any of you have moved, please update your contact information.

I would like to thank everyone for the great suggestions and feedback I have been receiving, and I hope to meet you soon in Atlanta!

*by Sandy Hill, National Coordinator for the District Representative Program, [SandyHill@money.org](mailto:SandyHill@money.org).*

It is almost time for the National Money Show in Atlanta. Hopefully, many of you have made plans to attend the show and/or participate in activities, whether having a bourse table, presenting a topic at one of the educational venues or enjoying the wonderful exhibits and educational opportunities.

If you are a District Representative, please plan on coming to the Rep meeting on Saturday morning. We will do our best to make it worth your while. Bring an idea that has worked in one of your club meetings or that helped to build a club to share with us.

See you in Atlanta, and remember that ANA members will be admitted to ANA shows 30 minutes before the general public each day except opening day. This benefit is for members only, it does not extend to guests.

**Panama Canal Commemorative Coin**

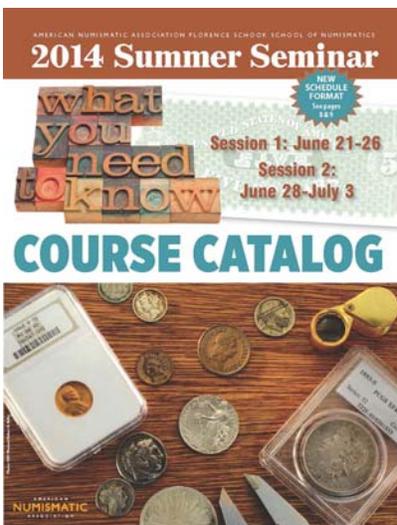

The ANA is encouraging members and other interested persons to send a letter or email asking your congressional representative to support H.R. 2760, the Panama Canal and Pan-Pacific Exhibition Centennial Celebration Act, which will create a commemorative coin program to celebrate the 1915 Panama-Pacific International Exposition.

Proceeds from the sale of the commemorative coins will support the reuse of the San Francisco Mint.

Contact information can be found at [www.house.gov/representatives/](http://www.house.gov/representatives/). For a sample letter available for download, see <http://www.money.org/blog/posts/2014/january/9/help-the-ana-support-a-commemorative-coin-for-the-panama-canal.aspx>.

**Summer Seminar course catalog now available**

Make plans now to attend the annual Summer Seminar in Colorado Springs. The course catalog and registration form are available for download at [Money.org/SummerSeminar](http://Money.org/SummerSeminar). The course catalog was also published in the January issue of *The Numismatist*.

The dates for Session 1 are June 21-26, while Session 2 will be held June 28-July 3.

The annual Colorado Springs Coin Show will be held from Thursday, June 26, to Sunday, June 29.

**Aloma Blaylock***Reported by Walter Ostromecki*

It is with great sadness that I announce the passing of friend, member and fellow collector Aloma Blaylock.

The following is an excerpt from an obituary published by the *Standard Examiner*.

“Aloma Byington Blaylock, of North Ogden, Utah, our cherished wife, mother and grandmother, passed away October 28, 2013, of complications from heart surgery. She was born May 16, 1943, in Heyburn, Idaho, to Floyd W. and Gwendola Owens Byington. She was raised in Ogden and attended schools there, graduating from Ogden High School, class of 61; she also attended Weber College. Aloma married Richard A. Blaylock on August 9, 1962 in the Logan LDS Temple. ...

“Aloma found great satisfaction in volunteer service which included both the Boy Scouts and Girl Scouts, being active in the PTA, 4H, Ogden Regional Medical Center, serving as a library reading aide and being a member of Daughters of the Utah Pioneers.

“She enjoyed the outdoors, plants, flowers and gardens; she graduated as a Master Gardener from the USU extension service. ...

“Aloma is survived by her husband of 51 years, Richard; two sons and one daughter, along with other family members. Condolences may be posted at: [www.myers-mortuary.com](http://www.myers-mortuary.com).”

**Gar Travis***Reported by John and Nancy Wilson*

It was only recently that we heard of the passing of our friend Gar Travis. He was an outstanding numismatist and worked very hard for the ANA in the Representatives Program for many years. In 1995 he received the Outstanding Regional Coordinator Award. In 1999 he received the Glenn Smedley Memorial Award. As President, I was honored to be able to give Gar a Presidents Award in March 2003.

We recall several shows where Gar had a bourse table and represented the ANA. At times we shared an ANA table. He always promoted collecting and the numismatic hobby. We know that his knowledge and enthusiasm for collecting coins rubbed off on many of the young and old that he talked to. As an ANA recruiter he received the Century Club award in 2004.

Not long ago we heard that his health was declining, and it was a very sad day when we heard he had passed away. Gar had a great passion, love, knowledge and enthusiasm for numismatics and life which will be

**Memorial Page**

sorely missed by everyone who crossed this “Numismatic Luminaries” path. With condolences to the family, R.I.P. Gar, as we will never forget you.

**John Burns***Reported by Pat McBride*

The Pennsylvania Association of Numismatists (PAN) had a presence at the recent FUN Show in Orlando, Fla.

PAN was not able to acquire a club table for this event but was able to offer association information at the table of numismatic book dealer John Burns. The weekend was proceeding very well with a robust volume of activity. Unfortunately the sad and shocking news for the many dealers, friends, and associates at the show was the news of the sudden and unexpected death of John Burns in his hotel room sometime late Friday night or early Saturday morning. John was a charter member of PAN along with many other numismatic organizations. He would always welcome us to use his table as a base of operations at the major shows.

John and I spoke on the phone from 11 to 11:30 Friday evening about the day's events and the anticipation of Saturday. It was a very pleasant conversation as was typical of the many that we normally had through some 30 years of friendship. His knowledge of coins was almost beyond most numismatists. He loved to sit and chat and talk coins along with many other subjects. His recollections, stories and opinions were never put to pen. He did not have a website for his business and barely maintained an email presence. His forte was the phone and face-to-face always accompanied by a firm handshake. I often encouraged him to move a little more into the 21st century but as those that knew him can attest, his love was history, and I can't help but feel he resisted moving further away from it. I have many voicemails on my phone from John and I think I will leave them in place. I hope the gates of heaven are wide enough for the big guy. May God rest your soul.

See page 7 for a photo of John.

**Eddie Vazquez***Reported by Kimberly Smith*

It is with great sadness that I report the passing of a founding member of the Brandon Coin Club of Brandon, Fla., Eddie Vazquez, on Dec. 30 at age 78. Eddie served in the U.S. Air Force in Vietnam and retired after 23 years of service.

The club wishes to extend its condolences and respects to his lovely wife, Angie Vazquez, as well as his children and grandchildren.

### California

Howard Feltham, current vice president of the California State Numismatic Association (CSNA) and immediate past president of the Long Beach Coin Club, was honored with an ANA Presidential Award bestowed on him by ANA President Walter Ostromecki. The presentation took place on Nov. 23 during CSNA's annual southern California convention awards banquet at the Holiday Inn in Long Beach.

Howard was recognized for his many years of faithful service to numismatics in Southern California through the Long Beach Coin Club, his 10-plus years of volunteer service to enhancing the numismatic education and experience of both collectors and the public at the trice yearly Long Beach Coin and Collectibles Expos, his duties as Collector Exhibit Coordinator for the Long Beach Expo as well as the Long Beach Coin Club's ANA National Coin Week Outreach Chairman, and his assisting with the promotion of Youth Activities under the mentorship of Walter Ostromecki. Howard is slated to be the Assistant Club Host Chair for the 2016 ANA Anaheim anniversary convention.

Upon accepting the Award, Howard remarked, "I am stunned, utterly astonished. I truly had no idea anyone outside a few close hobby friends, let alone the ANA, even bothered to notice my small efforts and contributions to coin collecting in the Long Beach community and elsewhere in Southern California. Wow! This moment is totally awesome and I am humbled to receive it from my long time hobby friend and mentor ANA President, Walter Ostromecki."

#### Tampa Bay Coin Club

The club had excellent results by participating in the 59th Annual FUN Convention Jan. 9-11. Most visitors were collectors or the public in general, and several had an interest in joining the club.

*Photo: Tampa Bay Coin Club table at FUN.*

Club medals were sold to raise funds. The first medal struck, when the program was launched in 2013, was to celebrate the 500th Anniversary of Florida's discovery by Ponce De Leon. The second medal in the series commemorates 110 years of the traditional Gasparilla festival parade in Tampa since 1904. Each medal in the series features a common reverse with the club's official logo, redesigned to bring out subtle details and the beauty of the original model. The task to strike our beautiful medals is entrusted to a private mint.

The club's medal program commemorates significant events or sites and honors those whose actions and achievements have embellished Florida's rich heritage and diverse cultural history. Each medal is limited to a

mintage of 200 pieces. Special thanks to ANA Curator and Museum Director, Douglas A. Mudd, who generously accepted the donation of both club medals to be part of the magnificent ANA Museum Collection.

The club would like to thank all the dealers who patronized our club in 2013; among them Gainesville Coins Inc., Legacy Coins of Lutz, Coin Village and Stamps and W.I.N.G.S. of Tampa. The club also would like to congratulate FUN for posting the show ad together with an article in *Funtopics* magazine during this excellent event. The club will host its 2014 annual coin show in the autumn. For more information about TBCC, go to [www.tampabaycoinclub.org](http://www.tampabaycoinclub.org).

## Hawaii

*by John and Nancy Wilson, ANA National Volunteers, Ocala, Florida*

Thank you Hawaii State Numismatic Association and Honolulu Coin Club for the ANA table and Scouting Clinic at your 50th Anniversary Convention.

We attended the 50th Anniversary Hawaii State Numismatic Association (HSNA) Convention hosted by the Honolulu Coin Club (HCC) at the beautiful and spacious Honolulu Convention Center in Honolulu, Hawaii. The event was held Oct. 25-27, and it was one of the best we have ever attended. It had a sold-out bourse of 65 tables, occupied by more than 90 dealers.

The show once again appeared to be very successful for the dealers who had tables. Registered public attendance was 1,200. Hourly door prizes were handed out during the three-day event. The convention also had several numismatic exhibits. Special medal sets and elongated cents were made for the show. The lighting was excellent, and the large room was carpeted. Parking at the convention center is only \$10. The convention was chaired by Marion Kendrick, and the security was handled by HCC President Greg Hunt. Uniformed Honolulu Police Department officers kept the convention very safe. We don't think any coin club in the world gets behind a coin convention like the members of the HSNA and HCC. Though the convention center sets up the tables and covers them, the coin club members take care of the dealer and public registration, along with the set up and breakdown of the cases, lights and clamps.

From the opening of the show right up until closing at 5 p.m. Sunday, the flow of traffic was excellent. This show is attended by many mainland dealers who not only come over for the outstanding weather and attractions but also the excellent business they do at their tables. About 20 dealers were still conducting business at closing on Sunday. Representing the ANA, we were able to sign up 17 new members for the Association and received a donation from H. Robert Campbell, the owner of All About Coins located in Salt Lake City, Utah, for the shipment of the Coin Show Kit. We want to thank the HSNA and HCC along with Marion Kendrick and Greg Hunt for allowing the ANA to have a table at their super show. This was Mr. K (Marion Kendrick's) 35th year of chairing this show. He will turn these duties over to Joe Au-Franz for this year's convention in the same location on Oct. 31- Nov. 2. We have seen Mr. Kendrick at about five different shows hosted by these clubs over the years. He did an amazing job for the coin clubs over the years and he will be greatly missed. Mr. Au-Franz has some big shoes to fill. For information on the coin clubs go to <http://hawaiicollectibles.org/>.

A highlight of the show was the Saturday and Sunday Boy Scout Coin Collecting Merit Badge Clinic chaired by Past ANA Vice President Patti Finner. She was assisted by Brenda Sponski and coin club workers.

Registration for the clinic on Saturday started at 9:30 a.m. and on Sunday at noon. The clinic was free to scouts in a Class A uniform. For both clinics several hundred scouts, family members and scouting officials attended the event. Patti was able to certify 31 scouts on Saturday and 75 on Sunday.

The scouts have to complete a number of prerequisites to obtain their merit badge, beginning with reading the Coin Collecting Merit Badge book, and including building certain sets of circulating coins.

At both of these clinics Finner provided to each scout five different coins (wheat, steel and cartridge cents, Peace Medal nickel and Mint Set coin); miscellaneous tokens and medals; a type set of Lincoln Cents and a special scouting NGC-slabbed quarter with a scout stamp enclosed inside. These special slabs were made in very limited quantity. Some very nice door prizes were also handed out during the seminars. Finner has been handling the Scout clinics for the HSNA conventions for 10 years. She is a certified Merit Badge Counselor and has certified over 9,800 scouts.

Hawaii is a fabulous location to have a coin show or just to visit. Great weather, tons of things to do, Waikiki beach, reasonable to moderately priced hotels in the vicinity and many nearby excellent restaurants and the huge three-level Ala Moana Shopping Center two blocks away.

*Mahalo* (meaning thank you) again HSNA and the HCC for the ANA table.

## Nevada

### Las Vegas Numismatic Society (LVNS)

The Las Vegas Numismatic Society (LVNS) held its 56th annual Christmas Banquet Seminar, officer installation and silent youth benefit auction on Saturday evening, Dec. 14, 2013, in the Red Rock Room, Sam's Town Gambling Hall, in Las Vegas, Nev.

108 club members and guests attended the gala buffet dinner event. ANA President Walter Ostromecki was their invited guest and keynote speaker. Ostromecki spoke on the educational value of ANA membership and the experience of collectors of all ages attending the Association's annual premier learning enrichment event, Summer Seminar in Colorado Springs.

LVNS President Joe Cavallaro commented, "We are most fortunate to have ANA President Ostromecki participating because of his passionate and energetic

youth focus. He's helped developed our twice yearly show's successful youth outreach programs and activities over the past several years. As a result our club has created a committee, chaired by Ed Smith, to help grow youth numismatic involvement and membership. Walt's generous participation in this evening's seminar has netted one lucky club YN a full all-expense paid scholarship to the 2014 ANA Summer Seminar."

After-dinner festivities included installation of club officers by past president Bill Zell, a musical treat by David "The Sax Man" Brown, a numismatic raffle and an awards presentation hosted by both Cavallaro and Ostromecki. Cavallaro presented club member Ed Smith with the club's 2013 outstanding service award.

Ostromecki presented the club officers of the LVNS with his ANA "Numismatic Point of Light Certificate," in honor of their ongoing generosity and commitment to advancing numismatics in Nevada as well as enriching the total numismatic experience of others both young and old through outreach education at their twice yearly shows.

In recognition for being the catalyst and driving force behind the club's success and growth as well as coin show chairman and club president for several years, Ostromecki bestowed an ANA Presidential Award upon Joe Cavallaro. The entire audience stood and applauded a stunned and speechless Joe upon receiving this high ANA honor.

*Photo: Joe Cavallaro (left) receives ANA Presidential Award from Walter Ostromecki (right).*

Cavallaro made a special announcement before the evening's festivities adjourned. "I was going to wait a couple of months before telling you all the good news, but there will be no better time than this evening. Because our annual show needs to grow, I have just signed a contract with the Rivera Hotel to begin holding our coins shows in 2015. They have given us a special \$27 room rate, a much larger bourse room for the same price we're paying now, and guaranteed all show attendees free parking. You can't beat that!"

The LVNS meets monthly at 7 p.m. at the Charleston Heights Art Center, 800 Bristol Street, Las Vegas, Nev. Dues are \$5 a year for adults and free to youth up

to 18. For more information email Joe Cavallaro, LVNS President at [archangel13@cox.net](mailto:archangel13@cox.net).

#### Reno Coin Club

by David Elliott, [datbelliotts@prodigy.net](mailto:datbelliotts@prodigy.net)

The club is preparing to celebrate its 30th anniversary by minting a medal on the 1869 coin press at the Nevada State Museum during National Coin Week. There are two reverses, the state seal and the coin press. Medals will be minted in silver, brass and copper.

The club will also have a number of numismatic lectures and programs as well as make available the last of the 2013 national park quarters and presidential dollars and the first of the 2014 coins.

The club also welcomes Jeff Shevlin, former ANA executive director and expert on so-called dollars, to the club. He is working at Medallistic Arts and the club is readying a tour of the facility that is the oldest private mint in the nation. They make medals, including many military medals, from melting metal and producing their own blanks to the finished product. The club will have its 30th anniversary medal die cut there.

Medallistic Arts' Roger Vugteveen gave the October presentation on the laser-guided die making process.

Rusty King celebrated "Happy Birthday Nevada!" with a collection of all the centennial medals.

December was the club's mini-bourse, in which David got an 1802 "penny" (large cent) for \$4.

Laurel Hoggah presented "Euro coins and the new Euro bill" in January.

The club is looking forward to a presentation about Lincoln in February by Nevada State museum historian Robert Nylen and presentations from Fred Holabird and Jeff Shevlin this spring.

The club will have its dollar exchange of the new coins Feb. 28-March 1 with Ken Hopple running the 1869 press at the Nevada State Museum.

#### Salem Coin Club

by Danny Bisgaard

It was a cold and icy Salem Coin Show this past December. Ice started forming on Dec. 6, 2013 and made show setup a challenge – especially trying to get home.

Dealers arrived at 6 a.m. on Dec. 7 and began setting up. By the time the public arrived at 9:00 a.m., seven dealers from the Northwest, especially south of Salem, could not make the show. There were still more than 90 tables of coins/stamps/postcards and the number of dealers was in the low 60s. Dealers came in from as far north as Seattle, as far south as San Francisco, as far west as Florence, Ore., and as far east as Boise, Ida.

The two-day show was successful for most dealers, but the public attendance was down by half from previous years.

Exhibits were a hit – two YNs provided three exhibits for the public to view. Katie Reinders and Marie Fernandez each won gold and silver for their exhibits. Six seniors provided seven exhibits for the public to view. James Reinders, Danny Bisgaard and Larry Gaye were the top three winners of gold and silver.

The PNNA "penny squisher" (elongating) machine was on hand to squish pennies for the public. The Salem club plans on having a different design for each year's show for years to come.

Dealers started tearing down early on Dec. 8 to get a head start home due to the weather conditions. One dealer came in just for Sunday as he was able to traverse the southern area of the state.

This year's show is scheduled for Dec. 6-7. Information: Danny Bisgaard, phone (503) 588-8162, email [d.bisgaard@comcast.net](mailto:d.bisgaard@comcast.net).

PAN had a presence at the recent FUN Show in Orlando, Fla. PAN President Tom Uram and Treasurer Pat McBride were working the show floor and meeting with the many collectors and dealers to help promote PAN and draw interest to our Spring Coin Show on May 8-10.

Tom Uram also placed his exhibit, "The Historically Significant Two Cent Piece," that features the first placement of the "In God We Trust" motto. We were both delighted to learn that it won first place in the U.S. Coin category.
