MEDIATION

Article III, Section 3

Mediation policies and procedures shall be posted on the Association's website, www.money.org; printed copies shall be available upon request. All mediation shall be administered in accordance with the procedures outlined in this Policy Manual.

Complaints and Mediation Services

ANA members must adhere to the ANA Code of Ethics. Any member who is determined, after having had an opportunity to respond to a complaint, to have violated the ANA Code of Ethics as contained in the bylaws, is subject to disciplinary action by the ANA.

Informal Review

Upon receipt of a written complaint, the Mediation Department will notify the person about whom the complaint has been made and attempt to facilitate a resolution between the Complainant and the member Respondent to arrive at a mutually acceptable solution. No formal response is required at this stage of the mediation process. Most complaints are resolved in this manner.

Formal Mediation Process

If informal efforts fail to resolve the complaint, the complaint will be reviewed by the executive director and the general counsel to determine whether the complaint meets the minimum criteria necessary to be considered by the Mediation Committee (Attachment #1). To proceed to the formal mediation process, complaints must be addressed as

follows:

- 1) The respondent is notified of the complaint and requested to respond in writing within 30 days.
- 2) The complainant is notified of the respondent's reply and, if desired, may respond to the Association within 15 days.
- 3) The formal complaint and both parties' documentation is submitted to the Mediation Committee.
- 4) If disciplinary action is taken against an ANA member, his/her name, city and state, along with the grounds for disciplinary action, shall be published in *The Numismatist*.

Failure to respond to a complaint within the allotted time shall be deemed an admission of the complaint.

Mediation Committee Composition and Service

- The Association president shall appoint five (5) members to the Mediation Committee, each of whom must be a current member of the Association and a past member of the Association's Board of Governors. The committee shall be chaired by the immediate past president of the Association, unless the immediate past president is a current member of the Board of Governors, in which event the committee shall be chaired by the most recent past president of the Association who is not a current member of the Board of Governors.
- No more than two (2) members of the committee can be numismatic dealers. (A dealer is defined as a person who purchases and sells numismatic material on a regular basis as a business activity or enterprise entered into for profit, and not as a collector of numismatic items for his or her personal use.)
- Members of the Mediation Committee shall serve during the term of the Association president who appointed them. The general counsel of the Association participates as a non-voting member of the committee.

Referral of a Complaint

- 1) Upon receipt of a complaint, response and reply, if any, the executive director or his/her designee shall forward all materials to the Mediation Committee for handling. Within 30 days of receipt of a complaint, response and reply, if any, the Mediation Committee shall review all materials submitted and determine whether additional information is needed and/or if a hearing is necessary to take action on the complaint.
- 2) If the Mediation Committee determines it has sufficient information to make a determination on the complaint without a hearing, it shall, within 45 days of receipt of the complaint, response and reply, if any, render a written decision regarding the complaint.
- 3) If the Mediation Committee requires additional information to make a decision regarding the complaint or if it determines that a hearing is necessary to resolve the complaint, it shall: a) schedule a telephone hearing to occur within 60 days of the Mediation Committee's receipt of the complaint, response and reply, if any; b) request any additional information be submitted prior to or at the time of the hearing; and c) render a written decision within 15 days of the conclusion of the telephone hearing.
 - 4) The Mediation Committee's written decision shall be forwarded to the

complainant and respondent within five (5) days of the Association's receipt of the decision. The Mediation Committee's decision may be delivered by any reasonable method, provided a return receipt or other acknowledgment of receipt is obtained.

Disciplinary Measures

The Mediation Committee shall have the authority to impose any discipline against a respondent it deems appropriate, including placing limitations upon a respondent's membership. It can issue reprimands, recommend a loss of privileges, order restitution or the return of numismatic materials, assess fines or penalties, reimburse fees, place a respondent on probation, or fashion any other discipline it deems appropriate. If the Mediation Committee believes that suspension or expulsion from Association membership is the appropriate sanction against a respondent, it shall, in its written decision, make such a recommendation to the Board of Governors, who shall determine if such action is warranted. All discipline authorized to be imposed by the Mediation Committee shall become effective immediately unless a timely appeal to the Board of Governors is filed, as provided in Article III, Section 4.

Appeal Process

Any party to a complaint under Article III, Section 3, who is dissatisfied with the Mediation Committee's decision can appeal to the Association's Board of Governors. All Committee recommendations for suspension or expulsion shall automatically be submitted to the Board of Governors.

- Appeals must be sent by the appealing party to the Association's executive director within 15 days of receipt of the Mediation Committee's decision. Appeals filed after the 15 days provided for herein shall not be accepted and the Mediation Committee's decision shall be final and binding on the parties to the complaint.
- The appeal must state the specific basis for the appeal, the reason the appealing party disagrees with the Mediation Committee's decision, and the relief requested by the appealing party.
- Within 15 days of receipt of an appeal, the Association shall provide a copy of the appeal to all parties to the complaint. The appeal may be delivered by any reasonable method, provided a return receipt or other acknowledgment of receipt is obtained.
- Any non-appealing party may submit a response to the appeal within 15 days of receipt of the appeal. The response shall be provided to the Association and to all parties to the complaint. The response to the appeal may be delivered by any reasonable method, provided a return receipt or other acknowledgment of receipt is obtained.
- All materials provided as a part of the Mediation Committee's decision, as well as all appeal submissions, will be provided to the Association's Board of Governors. The Board of Governors shall consider such appeals three (3) times per year at meetings held in conjunction with the Association's three (3) conventions. All appeal deadlines must have been met at least 30 days prior to the opening of the Association's convention at which the case is to be considered.
- All parties to an appeal will be given 15 days' notice of their right to present arguments to support their position on appeal before the Board of Governors. The Board of Governors will hear arguments only from the parties to the appeal; no additional hearings will be scheduled.

- Within 30 days of the consideration of an appeal, the Board of Governors shall render a written decision, to be delivered to the parties to the appeal by any reasonable method, provided that a return receipt or other acknowledgment of receipt is obtained.
- The Board of Governors' decision may affirm, modify or reverse the decision of the Mediation Committee and may affirm, modify or reverse any discipline imposed by the Mediation Committee, all at the sole discretion of the Board of Governors.
- The Board of Governors' decision shall be final and binding on the parties to the appeal. The parties to the complaint and the appeal shall have no further recourse with regard to the complaint.

Fees

Formal complaints: All formal complaints submitted to the Mediation Committee must be accompanied by a Complaint Form (Attachment #1) and the appropriate processing fee, as designated on the form.

Appeals: Fees for appeals shall be \$50 for members and \$100 for non-members. There shall be no cost resulting from automatic appeals from a Mediation Committee recommendation of suspension or expulsion.

Disputes and Deferrals

- All disputes that have been or currently are the subject of arbitration or civil litigation are not eligible for mediation services under this Article III, Section 3, except to the extent that the relief requested is the respondent's suspension or expulsion from ANA because of his/her conduct.
- Throughout the process outlined in Article III, Section 3, the executive director or his/her designee shall work to resolve complaints. A complaint may be resolved or withdrawn at any time prior to a decision rendered by the Mediation Committee.
- All discipline imposed against a member of the Association, once the discipline is deemed final, may be published in *The Numismatist*.
- The Association shall defer offering mediation services to individual members regarding payment disputes until 90 days have passed since the transaction and all other efforts to resolve the matter are extinguished.
- The Association shall not accept any mediation case in which a written auction agreement is executed between an auctioneer and consignor.
- The Association shall not intercede in disputes involving third-party grading companies.

TEMPORARY SUSPENSION, SUSPENSION & EXPULSION Article III, Section 4

• An individual may be suspended or expelled from ANA membership only through official action by the Board of Governors. However, the executive director shall have the right to temporarily suspend any member who fails to respond to a complaint; who fails to pay any indebtedness to the Association that is three months or more overdue; or who fails to return any library book or other Association property within two months after demand is made therefor. In any such case, the complaint shall be referred to the Board of Governors, accompanied by a report of the executive director's action.

The Board may affirm, modify or reverse this action or request further information prior to taking any action on the complaint.

- The executive director may reinstate any member who has been temporarily suspended under Article III, Section 4, provided that such member has complied with all requirements necessary to cure the default on which such suspension action was based.
- The executive director may temporarily suspend a member upon notification of a serious situation that violates the Code of Ethics by the Association, such as engaging in conduct unbecoming of a member, committing a criminal offense, etc.
- The Board of Governors shall be notified within five (5) business days of such action against any member of the Association.

ADVERTISING—THE NUMISMATIST & ANA WEBSITE Article III, Section 5

The executive director shall maintain advertising policies and procedures in the ANA Policy Manual and shall administer such policies as directed by the Board of Governors.

Such policies will deal with advertising in Association publications, on the Association's website (*www.money.org*) and in advertising in other publications or websites in which Association membership is referenced by the advertiser.

Advertising Policies & Requirements

All advertisements of any company published in *The Numismatist*, and all advertisements and printed material of any company in which an Association membership logo shall appear or the advertiser shall claim Association membership, shall disclose the name(s) and Association membership number(s) of the principal officers of that company.

- The designated principal officer(s) shall be responsible for the satisfaction of any complaints submitted to the Association based on any act or omission by the company or any officer(s), director(s), employee(s) or agent(s) thereof acting on behalf of the company. The designated principal officer(s) may be expelled or suspended from Association membership by reason of such act or omission, irrespective of whether said principal officer(s) has participated therein.
- If the Association determines that a complaint against a company is justified, such company, and those ANA members who are principal officer(s) of said company, shall be ineligible for a bourse table at an Association convention until such complaint is resolved to the satisfaction of the Board of Governors.
- The term "company" shall include any corporation or partnership or any individual(s) operating under a firm name. The term "principal officer" shall mean 1) any officer, manager, partner, owner or part-owner of said company who has authority to cause that company to satisfy a justified complaint; 2) any person who has been designated by that company as one of its officers in any advertisement, communication or other written instrument; or 3) any person who has agreed to assume responsibility for satisfying a complaint against that company.
- Any company referred to herein shall notify the Association in writing as to any addition to or deletion of any name(s) so furnished to the Association. Any officer, partner, manager, owner or part-owner of any company who refuses or fails to furnish such name(s) or to so notify the Association shall be deemed to be guilty of conduct

unbecoming a member and prejudicial to the welfare of the Association.

- Any complaints regarding an advertisement shall follow the procedure outlined above under "Mediation" (Article III, Section 3).
- No company, dealer or auctioneer will be recognized on any additional wrapper, "tip-on" sheet or bag that obscures the outside front and/or back covers of *The Numismatist*.

SPONSORSHIP POLICIES

- The term "sponsor" shall include any corporation, partnership or individual pledging \$9,999.99 or less in support of an Association activity, program or event, such as the ANA National Money Show or World's Fair of Money.
- The term "title sponsor" shall include any corporation, partnership or individual pledging \$10,000 or more in support of an Association activity, program or event, such as the ANA National Money Show or World's Fair of Money.
- Any proposed sponsorship of \$10,000 or more must be reviewed and approved by the Board of Governors before said sponsorship is accepted. The Board requires a minimum of two weeks for the review process.
- Title sponsorships may not be sold to a competing auction company for any convention or event for which an official auctioneer is contracted.

Contracts

All sponsors are required to sign a sponsorship contract (Attachment #6).

OFFICIAL AUCTIONEER POLICIES

- The term "official auctioneer" shall include any corporation, partnership or individual contracted by the Association to conduct numismatic auctions on behalf of the Association at its conventions.
- Any official multi-year auctioneer contracted for the World's Fair of Money will be recognized on the homepage of www.money.org for the length of its contract.
- Convention sponsors who represent a competing auctioneer cannot be recognized on the homepage of any ANA website, including www.money.org, worldsfairofmoney.com and nationalmoneyshow.com. However, title sponsors may appear under a link separate from the websites' homepages.
- No auctioneer will be recognized on any additional wrapper, "tip-on" sheet or bag that obscures the outside front and/or back covers of *The Numismatist*.
- Consignment solicitations for an official ANA auction cannot begin until after the close of auction consignments for the official ANA auction immediately preceding. No consignment solicitations for any official ANA auction conducted by a competing auctioneer will be distributed by the ANA via e-mail or the United States Postal Service

commencing three weeks prior to a currently scheduled official ANA auction and ending at the conclusion of that official ANA auction.

PAYMENTS & CASH DISBURSEMENTS

• In accordance with Article IV, Section 2e, the president is allowed to approve non-routine payments requested by the executive director or controller in keeping with accounting procedures established for the Association staff and consistent with the approved budget. The president may appoint the vice president or other officer(s) to perform a portion or all of this function.

Cash Disbursements

Association staff has established a specific routine in regard to cash disbursements:

- 1) An expenditure is entered into Business Portal (BP) as a requisition. It is sent to a supervisor, who approves the request and forwards it to the senior administrative manager for approval, or rejects the request and notifies the individual submitting the requisition. The senior administrative manager then approves the request and forwards it to the controller for final approval, or rejects the request and notifies the supervisor. If the requisition represents an unbudgeted item, it is presented to the executive director for approval, and then sent to the controller for final approval. The accounting assistant then processes the approved requisition and generates an electronic purchase order. At that time, BP assigns a purchase order number and alerts the requestor.
- 2) This process must be completed before submitting any order to a vendor, with the exception of office supply orders and outgoing one- or two-day express shipments, which require generation of a paper purchase order. Such orders must adhere to the same approval system as BP requisitions.
- 3) Items not requiring approval prior to payment are property insurance, monthly/quarterly maintenance contracts, security service, telephone service, tax-sheltered annuity premiums, computer license fees, payroll taxes, equipment leases, and standard mailing and postage meter rentals. These are approved in the budget process.
 - 4) All legal bills must be approved by general counsel.

Computer-Generated Payments

- 1) An invoice is entered into the computerized accounts payable system. A weekly checklist is generated on the Thursdays for all invoices due on or before that date. This list is forwarded to the president for approval, with a copy forwarded to the executive director.
- 2) When approved by the president, a check is printed and given to the controller and executive director for approval.
- 3) The executive director or an assistant treasurer is called upon to sign the checks. Checks over \$5,000 must be signed by two individuals so empowered by the ANA.
- 4) Sections of the check are separated and processed as follows: a) the check and stub are mailed to the payee along with a remittance form (if provided); b) the invoice is stamped with the date mailed; and c) the top portion is attached to supporting

documentation and alphabetically filed by the accounting assistant.

BAD DEBT COLLECTION POLICY

Accounting Procedures:

- 1) Invoice is sent out
- 2) 30 days past due:
 - a) Receivable Clerk sends 30-day past due letter with invoice to the member and maintains all backup
- 3) 60 days past due:
 - a) Receivable Clerk sends 60-day past due letter with invoice and maintains all backup
 - b) Receivable Clerk calls the customer to attempt to collect payment or work out a payment plan

- 4) 90 days past due:
 - a) Receivable Clerk gives 90-day past due invoice to Executive Assistant, along with copies of the 30- and 60-day past due invoices
 - b) Executive Assistant moves iMIS record (and bourse record, if appropriate) to "Suspended (type)" and "Suspended (status)" and places notes under the iMIS "Notes" tab, with details in accordance with Association Bylaws
 - c) Executive Assistant sends certified, 90-day letter that indicates:
 - Membership will be suspended
 - Information will be provided to the Board for possible member expulsion
 - Account will be sent to a collection agency
 - d) Receivable Clerk monitors account for payment and notifies Executive Assistant if payment is received
- 5) The Board receives all back-up documents pertaining to the bad debt within 20 days of member notification for possible member expulsion at the next regularly scheduled Board of Governors meeting

Outcomes:

- 1) If member pays debt in full:
 - a) Executive Assistant provides paperwork to Board of Governors for member reinstatement at the Board's next scheduled meeting
 - b) Executive Assistant moves iMIS record back to original type and status
 - c) Executive Assistant records detailed notes under the iMIS "Notes" tab
- 2) If member does not pay debt and is expelled:
 - a) Executive Assistant sends certified notification of expulsion

- b) Executive Assistant moves iMIS record to "Expelled (type)" and "Expelled (status)"
- c) Executive Assistant records detailed notes under iMIS "Notes" tab, including amounts and dates
- d) Executive Assistant gives copies of all information to the Receivable Clerk, who writes off the bad debt and sends it to the collection agency

Publication:

If directed by the Board, reports of suspensions, expulsions and reinstatements are forwarded to the ANA Publications Department for publication in *The Numismatist*.

DONATIONS—DONATION APPROVAL

Any proposed donation of \$10,000 or more in cash or material must be reviewed and approved by the Board of Governors before said donation is accepted. The Board requires a minimum of two weeks for the review process.

DONATIONS—DONOR RECOGNITION

Article XI, Section 2

Any donor of a gift or bequest valued at \$25 or more shall be recognized by publication of his or her name in *The Numismatist*. At the donor's request, any such gift can be published as "Anonymous."

CONTRACTS & AGREEMENTS Article XIII, Section 2

The Association may not enter into any contract or agreement that would obligate or require an expenditure of more than \$25,000 without prior review and approval by the Board of Governors; nor may the Association enter into any contract or agreement that would encompass a period of time greater than one year (including renewals) without prior review and approval by the Board of Governors.

- Contracts of an emergency nature, such as building repairs, must have the approval of the president and vice president or, in their absence, two members of the Board with the greatest length of service.
- The executive director may approve contracts totaling \$5,000 or less, consulting with the general counsel as necessary.
