The American Numismatic Association is accepting applications for two summer internships at its headquarters in Colorado Springs. Young collectors, college or graduate students and numismatic professionals who are ANA members are encouraged to apply.

One applicant will be selected for The Harry W. Bass Jr. Numismatic Internship, and will conduct original research using ANA resources in conjunction with the renowned Harry W. Bass, Jr. collection of rare American coins. This intern will also provide support for the ANA's Museum, Library, Publications and Education departments.

Another applicant will be selected for the ANA Numismatic Internship, and will work with the staff of the Edward C. Rochette Money Museum and Dwight N. Manley Numismatic Library, the Publications and Education departments, and help with Summer Seminar and the Boston World's Fair of Money®.

The deadline for internship applications is Feb. 26. Applications are reviewed by a selection committee, which will announce its selections March 19. Interns must be at least 18 and will stay in housing on the Colorado College campus, adjacent to the ANA. Internships begin June 7 and end August 14.
