

ANA SALUTES ITS TOP MEMBER RECRUITERS

Expanding its membership base has long been a goal of the American Numismatic Association (ANA). With this in mind, each year the Association tallies its new members and their sponsors, and honors the top recruiters in two categories - dealer and individual members. This year's most successful recruiters were recognized for their efforts at the ANA's 111th Anniversary Convention in New York City.

The Dealer Booster Award went to Joel D. Rettew, of Laguna Hills, California, who recruited more than 110 new members last year.

This year's **Albert L. Baber Award for Membership Recruitment** was presented to Dorothy Baber of San Diego, California, who brought in more than 50 new members this year.

ANA Century Awards were presented to Nancy Wilson of Ocala, Florida, who recruited 100 members since 1991, and Rettew.

The American Numismatic Association is a congressionally chartered nonprofit educational organization dedicated to encouraging people to study and collect money and related items. The ANA helps its 28,000 members and the public discover and explore the world of money through its vast array of education and outreach programs, as well as its museum, library, publications, conventions and seminars.
