

DISCOUNT MOVING RATES OFFERED TO ANA MEMBERS

The American Numismatic Association (ANA) is now offering its members dramatic savings on moving costs.

"We recognize that most collectors are stationary individuals, but those who need or want to relocate can take advantage of a 56-percent reduction in domestic tariff rates," says Executive Director Edward C. Rochette. "The discount is available from Arrow Moving & Storage, the firm we use to ship material to and from our conventions. We trust its expertise and dependability."

Arrow Moving & Storage, an agent of Mayflower Transit, Inc., will provide the discount on all household goods transported within the United States (except Alaska and Hawaii), waiving increases that normally occur during the peak moving season of May through September.

Michelle Squibb of Arrow Moving & Storage says, "We also will provide discounts on shipping cars and businesses, as well as international transfers. We will provide the best deals possible with the best people_people who pack and move full time."

The company also will reimburse the ANA member using the service up to 100 percent of expenses resulting from delays, including reasonable costs for food and commercial lodging.
