The first ANA District and Club Representatives meeting of the year was held at the Florida United Numismatists (FUN) convention in Tampa, Fla., on Saturday, Jan. 9. We had nine District Reps in attendance, representing seven states. The one-hour meeting was productive, with the latest information being shared with the District Reps. I want to thank FUN Convention Coordinator Cindy Wibker for her support and arranging the meeting room.

The second ANA District and Club Representatives meeting was held at the ANA National Money Show in Dallas, Texas. We had a luncheon at the Omni Hotel (located next to the Convention Center) on Friday, March 4. Nine District Reps were in attendance, representing six states. ANA President Jeff Garrett attended the luncheon, and presented "Thank You for Your Service" slabs done by NGC with the 2004 Texas State Quarter.

Tiffanie Bueschel, ANA club communications coordinator, has been distributing the new ANA District Representatives name badges and polo shirts. A number of District Reps received new shirts and badges at the two ANA District and Club Rep meetings. The remaining polo shirts and name badges were mailed (and should now have been received — if not, please contact Tiffanie at [bueschel@money.org](mailto:bueschel@money.org)).

The ANA District Rep Program had full-page ads in the February and March 2016 issues of *The Numismatist*. The purpose of the ads is to inform the ANA membership of who is representing their state, and also to seek additional volunteers. A number of ANA members have volunteered to become new District Representatives. I want to welcome the following nine new District Representatives:

Allen C. Nichols	Alaska
Robert J. Mellor	Florida (Space Coast Area)
Juan L. Riera	Florida
Christopher Bower	Indiana
Brad Lisenbee	Indiana
Marc Wallace	Indiana
Joseph Pargola	New Jersey/Pennsylvania
George Winters	Utah
Michael M. Miller	Wisconsin

Please submit your Jan.-Mar. (1<sup>st</sup> Quarter) District Representatives reports to Tiffanie and me. The reports are very helpful in documenting all the work the ANA District Representatives are doing across the country. A report should not take long to complete, but it does provide a wealth of information.

Plans are in progress for the ANA District and Club Representatives meeting at the ANA World's Fair of Money, Aug. 9-13, in Anaheim, Calif., at the Anaheim Convention Center. The yearly meeting will be held on Saturday, Aug. 13. Additional details will be sent out in the future.

Thank you again for all the volunteer work you perform on behalf of the ANA and the hobby. Your work does make a difference.

## Free ANA Membership Vouchers

*by Tiffanie Bueschel, Club Communication Coordinator*

Don't forget to distribute the free American Numismatic Association membership vouchers your club received!

In September, the ANA mailed each of its member clubs 12 applications for free membership. Be sure to pass these forms along to individuals who might like to join the Association. Applications must be redeemed by October 31, 2016, and cannot be used by those who have been ANA members in the last two years.

Member clubs that did not receive the applications should contact me at (719) 482-9816, or by email at [tbueschel@money.org](mailto:tbueschel@money.org).

Thank you for all that you do to support our hobby.

## Non-Profit Club Tax Reminder

*by Mitchell Ernst, Nebraska District Representative*

Here's a reminder for the small nonprofit clubs whose annual gross receipts are normally \$50,000 or less. Don't forget to electronically submit Form 990-N (e-postcard) to satisfy their annual reporting requirement to the IRS. If a club fails to file for three consecutive years they are at risk of losing their nonprofit status. The filing deadline is May 15.

In previous years filers went through the Urban Institute to file their 990-N e-postcard. Now, nonprofits must file their e-postcard directly with the IRS. Clubs will be required to set up a user profile if they have not already done so.

For more information, please visit the links below.

<https://www.irs.gov/Charities-&-Non-Profits/Annual-Electronic-Filing-Requirement-for-Small-Exempt-Organizations-Form-990-N-e-Postcard>

<https://www.irs.gov/Charities-&-Non-Profits/Information-Needed-to-File-e-Postcard>

*Editor's note: This applies to organizations that already have recognized IRS nonprofit status. If not, you may want to consult a tax professional about applying for this status. Nonprofit status in your home state is not the same as Federal (IRS) status.*

## ANA's Club Publications Contest Features New Prizes

Each spring, the American Numismatic Association calls for submissions in its Outstanding Club Publications competition. The contest is open to clubs that are current with their ANA dues and do not have an elected or salaried ANA officer as editor or assistant editor. Club publications must have been issued on a regular basis, and entries must include a complete set of 2015 publications. Completed submissions must be received by May 22.

For more information on submission guidelines and to view past winners, visit [www.money.org/outstanding-club-publications](http://www.money.org/outstanding-club-publications).

## National Coin Week

Thanks to ANA clubs that participated in National Coin Week, April 17-23. The theme this year was "Portraits of Liberty: Icon of Freedom," celebrating depictions of Liberty on money. The submission deadline for the Club Trivia Challenge and the Video Trivia Challenge is May 6. The next National Coin Week is Apr. 16-22, 2017.

The Madison County Coin Club (MCCC) celebrated its 15<sup>th</sup> anniversary and its upcoming 150<sup>th</sup> meeting with a special program at its March 22 monthly club meeting. The first meeting of the MCCC was held on Monday, March 26, 2001 at the Huntsville Senior Center in Huntsville, Ala. The club has been meeting at the Huntsville Senior Center since its founding.

The 150<sup>th</sup> meeting of MCCC will be in November 2016. MCCC has been a member of the ANA since the founding of the club.

#### South Baldwin Coin Club

by Tim Brown

The club's most recent meeting at the City Library was well-attended, including many kids. Soda and snacks were provided, and a YN won the door prize of a PCGS-graded proof coin.

The meeting proceeded with a discussion of recently completed and upcoming coin shows. There was also a discussion about some of the new U.S. Mint products. Many seemed interested in the gold Standing Liberty Quarter, Walking Liberty Half and Mercury Dime.

Mike Holman made a presentation on "Ancient Coins," and brought many to show, ranging from "straight from the dirt" to nice ones that he had conserved. The attendees loved the education as most have not delved into that area of numismatics, and much knowledge was shared. The club started its first auction at the end of the meeting, with lots of interest and little cash. Many of the YNs were able to pick up coins at very reasonable prices. The club will try this again at its next meeting.

### California

#### Northern California Numismatic Association

The Northern California Numismatic Association (NCNA) has scheduled its third annual California numismatic seminar for Saturday, September 17, in Vallejo, Calif., at the Vallejo Naval and Historical Museum, 734 Marin Street, at Capital, in downtown Vallejo.

The seminar will be held in the Second Floor Heritage Theater, with registration beginning at 9 a.m. The all-day seminar is free to all attendees, and the Museum is open free to all Seminar visitors. There will be an on-site luncheon service along with several eateries within easy walking distance.

The theme for this year's seminar is "The Future Of Our Hobby," derived from comments and input at the 2015 seminar, and five leading advocates for "our world of money hobby" have been scheduled:

- **Serge Pelletier**, of the Royal Canadian Numismatic Association (RCNA) and the Ontario (Canada) Numismatic Association (ONA).
- **Steven Woodland**, also of the same two Canadian organizations.
- **Charmy Harker**, the "The Penny Lady," from Irvine, Calif.
- **Steven Price**, of Stacks-Bowers Galleries, from Santa Ana, Calif.
- **Jeff Shevlin**, the "So-Called Dollar Guy," from Carson City, Nevada.

Each will present his or her insights and observations as to what numismatics, in terms of both the hobby and industry, might evolve into over the next years and decades. Several anticipated topics are: changing demographics, declining or stagnant memberships in numismatic organizations, world and economic uncertainties, youth numismatics, attracting the "Millennials" and other population groups, mega-million dollar coins, and the like.

The seminar will conclude with a panel discussion, questions from the audience and door prizes.

The seminar will be moderated by “Xan” Chamberlain, with Herb Miles facilitating the panel discussion. Both are well-known California numismatic advocates. Coordinating the all-day event is Michael S. Turrini, who is also NCNA’s treasurer and editor and a California State Numismatic Association (CSNA) Past President.

Updates are posted on [www.solanocoinclub.com](http://www.solanocoinclub.com), and inquiries may be sent to [EMPERORI@juno.com](mailto:EMPERORI@juno.com) or 707-246-6327.

## Colorado

Colorado Springs Numismatic Society  
by Terry L. Carver, [tcarver@pobox.com](mailto:tcarver@pobox.com)

The Colorado Springs Numismatic Society (CSNS) is celebrating its 50th birthday this year, and commissioned Daniel Carr and his Moonlight Mint to create a medal commemorating the milestone. Society members were invited to attend a striking event held at the Moonlight Mint on Saturday, March 19. Ten members (see photo) made the two-hour-plus trip from Colorado Springs to Loveland to participate in the event.

To start the day, Dan told Society members how he obtained and restored his surplus Denver Mint press. He also explained the various components of the press and described its operation.

Those attending were then given an opportunity to overstrike 50<sup>th</sup> anniversary medals on various coins, medals and tokens they brought to the event. Members could also have their regular issue medals antiqued or color toned and/or selectively plated with rhodium or gold. Many beautiful pieces were created that day, and an enjoyable and educational time was had by all.

The CSNS meets at 2 p.m. on the second Sunday of the month. The meeting location and directions can be found on the club’s webpages at “Coins in the Springs,” <http://csns.anaclubs.org>. Guests are warmly welcomed. Dues are \$5 per year and include a copy of the monthly club newsletter. For further information, or if you are interested in the medals, please contact the CSNS secretary at [gr1942@icloud.com](mailto:gr1942@icloud.com).

Wilmington Coin Club  
by Dave Stitely, [dstitely@comcast.net](mailto:dstitely@comcast.net)

The club held its annual show in January with more than 50 dealers in attendance, and more than 1,200 attendees during the three-day show.

One of the features of the show was a two-hour youth program led by Pam Stitely. The program included lunch for the YNs and their parents. This year there were over 25 people in attendance.

Three of the club YNs (see photo) presented mini-lectures to encourage other YNs in their collecting endeavors. Each participant received coins, currency and other numismatic items. They also learned about the ANA and Summer Seminar.

Following the program, YNs could be seen visiting the dealers’ tables at the show.

## Maryland

### Montgomery County Coin Club

by *Simcha Kuritzky*, [Simcha.Kuritzky@cgifederal.com](mailto:Simcha.Kuritzky@cgifederal.com)

On Feb. 6, club volunteers assisted Boy Scouts from the BSA Potomac District with furthering or completing requirements for the BSA Coin Collecting Merit Badge. The three-hour workshop in Bethesda, Maryland ended with one scout completing requirements, two nearly completing requirements, and a good number starting or well on their way towards receiving the merit badge. As an incentive towards completion, Montgomery County Coin Club is offering an uncirculated 2010 BSA 100th anniversary silver dollar to those scouts attending this workshop who later attend a regular meeting of the MCCC and present or otherwise show evidence of completing the coin collecting merit badge requirements.

## New Hampshire / New England

### New England Numismatic Association

by *Bob Fritsch*, [bobfritsch@earthlink.net](mailto:bobfritsch@earthlink.net)

The New England Numismatic Association (NENA) had several activities at the recent New Hamp-

shire Coin and Currency Expo in Manchester, N.H. A club table featured several items from past NENA conventions, offerings of NENA medals and a portion of the table for ANA flyers and brochures. Five non-competitive exhibits by NENA members were shown. The YN program, underwritten by The Kittredge Foundation, had an attendance of more than 30 YNs plus their parents.

A short business meeting to plan for NENA's 75th Anniversary Conference and Convention in the fall was attended by 15 members.

A competition for the 2016 NENA medal design is ongoing. Details can be found on the homepage of the NENA website at <http://nenacoin.org/>. Several sets of the 2015 NENA medal are still for sale. The medal features John Farrar, a Harvard professor who was the first to characterize hurricanes as "moving vortexes." A set of two medals (in nickel and bronze finish) are available for the reduced price of \$23 postpaid to NENA Medal, PO Box 21, Oxford, MA 01540.

### Nashua Coin Club

by *Bob Fritsch*, [bobfritsch@earthlink.net](mailto:bobfritsch@earthlink.net)

The Nashua Coin Club participated in the New Hampshire Coin and Currency Expo held in Manchester, N.H., on Mar. 28-29, with a club table. The club had giveaways including club wooden nickels and elongated coins. Club members chatted with about 50 visitors, inviting them to club meetings and giving them club information handouts.

Each meeting features a "Coin of the Month," where members bring examples and collections and discuss them in depth. January's coin was Emergency Coin and Currency, which saw lots of *notgeld*. February was Lincoln Cents, where one member brought a

complete collection including all the keys. March was Indian Head/ Buffalo Nickels, and April will feature Dimes. This monthly program generates lots of enthusiasm among the members and is a major reason for the success of the club.

## North Carolina

### Charlotte Coin Club

by *Bob Pedolsky*, [rpedolsky@carolina.rr.com](mailto:rpedolsky@carolina.rr.com)

The club held its 46th annual coin show Feb. 12-14 at the Metrolina Tradeshow Expo Center.

The sold-out bourse, with more than 150 tables, included two grading services and demonstrations by

Reed's Gold Mine. Over 25 club volunteers assisted in putting on the event, which was heavily attended over the three days.

Club president and show chairman Jerry Sajbel said, "It was a wonderful show to be involved in and the entire volunteer staff worked tirelessly to make the show successful and their effort showed. The youth program is flourishing and we have dozens of Boy Scouts working on their merit badges. It was a bustling and noisy marketplace and the dealers almost unanimously called it a great show."

More than 110 children participated in the YN treasure hunt, which had the theme "1916." Designated dealers around the bourse assisted the YNs in completing a quiz regarding coins of 1916. Also 21 Boy Scouts completed the merit badge course.

After completing the quiz, each participant received a treasure bag with approximately \$20 in coins and supplies, including a 1916 Mercury dime. Also available free to each YN were a multitude of coin supplies, books and coin-related items. All coins in the prize bags and other YN giveaways were generously donated by members of the Charlotte Coin Club, local coin stores and the dealers attending the show. In addition, adults purchased more than \$600 in donated items for the Charlotte Coin Club YN program.

Tom Wood of Ephesus Numismatic said the Charlotte show is the best for YN development that he's ever attended.

Jay Morgado, of M & J Collectibles, had a good show and gave away over 100 world coins to the YN treasure hunt participants.

According to Danny Freeman, Southeastern Investment Corporation, floor traffic was fantastic with many collectors looking to buy; the Sunday traffic was greater than expected. He felt the number of young people at the show was very impressive; the Charlotte Coin Club is doing a great job with the YN program.

A raffle was held daily with winners announced every hour of the show. The grand prize, a gold coin, was announced at the end of day on Sunday.

For more information about the Charlotte Coin Club, when and where it meets and information on next year's show, please visit [www.charlottecoinclub.com](http://www.charlottecoinclub.com).

## Wisconsin

Wisconsin Valley Coin Club  
by Terence Kafka, [fluff885@mtc.net](mailto:fluff885@mtc.net)

The club held a reception to honor current WVCC president, Numismatists of Wisconsin board member and paper money author Bill Brandimore, who is returning to Michigan to be near his family. Bill was presented with an ANA certificate recognizing his contributions to the club and collectors. He received a unique Detroit, Michigan, "Thanks A Billion, Bill" note, which was then signed by club members to create a "long-short snorter."

While Bill remarked on numismatics and his future plans, we all enjoyed snacks and refreshments. It was quite fitting that Bill's last meeting was on Mar. 15, the Ides of March. We will miss Bill's wealth of knowledge and the generosity and kindness with which he shared it.

*Bill Brandimore holding the ANA certificate.*

The club also held a U.S. Coin Quiz, which was an unrelenting round-after-round of U.S. coin questions in double elimination format. It took two meetings to determine the winner ... Charles Klopstein. Ironically, Charles has the most extensive foreign coin collection among WVCC members. Charles was awarded a champion's certificate and a 2016 U.S. Silver Eagle.

#### South Shore Coin Club

by John and Nancy Wilson, ANA National Volunteers, [johnnancyw@aol.com](mailto:johnnancyw@aol.com)

The South Shore Coin Club (SSCC) hosted the Numismatists of Wisconsin (NOW) at its 52nd Annual Coin Show, held Mar. 31-Apr. 2 at the Crowne Plaza Hotel in Milwaukee. The SSCC event is the largest coin show in Wisconsin. The show had 40 dealer tables and an attendance of 725, despite snow and cold weather on Saturday. Hard-working members of the SSCC handled the registration, sold raffle tickets and gave out special wooden nickels made for the show. The convention had competitive exhibits, along with a Saturday Boy Scout Coin Collecting Merit Badge Clinic. Darrell Luedtke was the exhibit chair. NOW president Thad Streeter, along with Cliff Mishler, handled most of the duties behind the NOW club table.

The Crown Plaza is an excellent location for a coin show. Security was very good and nothing was reported lost or stolen. The dealers we talked to said they had a good show and sales.

TEC President Nancy Wooten met with the ANA staff to work out the details for the TEC booth. We will also be selling limited edition coin sets rolled on 1966 coins, and enameled and plain badges on a suspension ribbon bearing the TEC designs. The sets and badges will each have a limited edition of 50, in celebration of TEC's 50th Anniversary, so place your order early! The TEC Store has sets and badges from previous years that can be seen and purchased at <http://tecnews.org/store/>.

Come help us celebrate the beginning of TEC's second half-century. We are the funnest part of numismatics, and invite you to share the joy of collecting elongated coins. See you in Anaheim!

#### International Org. of Wooden Money Collectors

by Robert F. Fritsch, [bobfritsch@earthlink.net](mailto:bobfritsch@earthlink.net)

This is a departure from our normal meeting, which in the past was held at the ANA World's Fair of Money in the summer. We will have a club table in the "club midway" at table M, and will be giving away wooden nickels including a special one that President Gabriel has created especially for this show. We would love to see you, so come by and visit. (Note: this all takes place at the Central States Numismatic Society 77th anniversary convention; see <http://www.centralstates.info/> for more information.)

On a sad note, one of our oldest members and staunchest supporters over the years passed away last year. His collection was purchased from his heirs and over half a million woods will soon be available for interested collectors. Please contact Bob Fritsch directly for more information.

If you would like to be a part of the resurgence of the wooden money hobby, send \$7.50 with your name, address and email to Maurina Schmidt, PO Box 1, Macedon, NY 14502-0001. Request membership applications by email at [IOWMC@yahoo.com](mailto:IOWMC@yahoo.com).
