National Money Show Making First Appearance in Savannah, February 26-28, 2026

Registration Open for ANA Members

For the first time ever, the National Money Show® is coming to Savannah, Georgia. From February 26-28, 2026, join collectors, dealers, and money enthusiasts from across the country to gather in this historic coastal city. Hosted by the [American Numismatic Association](#) (ANA), the show brings hundreds of dealers ready to buy and sell rare coins, vintage paper money, tokens, medals, gold, silver, and more. Plus, many experts will offer free, informal evaluations of the public's old coins and currency.

Held in Hall A of the Savannah Convention Center at 1 International Dr., Savannah, GA 31421, show admission is \$10 for the public and free for ANA members and children under 12. Admission is free for everyone on Saturday, February 28. ANA members are encouraged to register for the show in advance to skip registration lines at the show entrance. Show registration is available at nationalmoneyshow.vfairs.com/en/registration-form.

One of the world's most famous rare coins, a 1913-dated Liberty Head nickel, will be among the rarities on display at the show. The face value is only five cents, but this legendary nickel made under mysterious circumstances at the Philadelphia Mint over a century ago is now insured for \$3 million. Only five examples are known, and one is at the Smithsonian in Washington, DC. Visitors can also see examples of rare gold coins struck at the Dahlonega, Georgia branch Mint in the mid-1800s.

Free Money Talks lectures will be presented throughout the event by well-known professionals in the field of coin collecting. These lectures provide collectors a forum in which to share their views and research with the public. The 30- to 45-minute programs accommodate questions from the audience.

On Friday and Saturday, families can visit Ernie's Treasure Treehouse, an educational area to play games and earn Hoot Loot to spend on prizes of their choice. Games include Treasure Trivia, the cash cube, plinko, cornhole, coin toss, designing coins, and more.

Additional information about the show can be found online at [NationalMoneyShow.com](https://www.nationalmoneyshow.com).

The American Numismatic Association is a congressionally chartered, nonprofit educational organization dedicated to encouraging the study and collection of coins and related items. The ANA helps its members and the public discover and explore the world of money through its vast array of educational and outreach programs, to include its museum, library, publications, conventions and webinars. For more information, call 719-632-2646 or visit [money.org](https://www.money.org).
