Share Your Expertise: Become a Money Talks Speaker at the Pittsburgh World's Fair of Money®

Share your numismatics insights to a national audience: American Numismatic Association (ANA) members are invited to present a Money Talks session at the 2026 World's Fair of Money, taking place August 25-29 at the David L. Lawrence Convention Center in Pittsburgh, PA.

Each concise, 30- to 45-minute Money Talks presentation is led by respected experts in the field and offers a unique chance to share original research, fresh perspectives, and collecting insights with the broader numismatic community. Recent topics have ranged from "Siege Notes: The Currency of War" to "Collection or Load of Rubbish? What Makes the Difference," reflecting the program's wide scope and engaging,

thought-provoking content.

Those interested in presenting for Money Talks are encouraged to submit an online proposal at money.org/events/money-talks. Money Talks presentations should be accompanied with digital images. **Proposals are due no later than Monday, April 15.** The talks will take place Thursday, Aug. 27 and Friday, Aug. 28.

For questions or additional information, contact ANA eLearning Program Coordinator Paula Knepper at 719-482-9852 or email pknepper@money.org.

The annual World's Fair of Money (WorldsFairOfMoney.com) is considered the biggest week in numismatics. The event traditionally features expansive educational forums led by notable speakers sharing numismatic expertise; exhibits of rare treasures from private collectors and the ANA's Money Museum (money.org/money-museum); hundreds of dealers buying and selling numismatic items in all price ranges; and one or more auctions.

The American Numismatic Association is a congressionally chartered, nonprofit educational organization dedicated to encouraging the study and collection of coins and related items. The ANA helps its members and the public discover and explore the world of money through its vast array of educational and outreach programs, to include its museum, library, publications, conventions and webinars.
